**WINFIELD HORSESHOE CLUB – JOHN HAMLER PRESIDENT**

We started our cribbage at the club on Saturday Jan 29. Masks are mandatory at all times. Vaccine (at least two) proof will be checked. We will be getting a few new members and hopefully they will try horseshoes as well as Cribbage.

The work for the new addition to the senior's center is complete. They have incorporated the Boy's & Girl's Club, the senior's Center and various other community services.

There is new traffic flow patterns' and more parking in the area. I am trying to get the district to cover some of our clubhouse insurance cost.

After two years of no income form Horseshoes or Cribbage the club has to start thinking about the future. The insurance runs \$1450 a year.

A Little Poem For Seniors, so true it hurts!  
Another year has passed  
And we're all a little older.  
Last summer felt hotter  
And winter seems much colder.  
There was a time not long ago  
When life was quite a blast.  
Now I fully understand  
About 'Living in the Past'  
We used to go to weddings,  
Football games and lunches..  
Now we go to funeral homes  
And after-funeral brunches.  
We used to go out dining,  
And couldn't get our fill.  
Now we ask for doggie bags,  
Come home and take a pill.  
We used to often travel  
To places near and far.  
Now we get sore asses  
From riding in the car.  
We used to go to nightclubs  
And drink a little booze.  
Now we stay home at night  
And watch the evening news.  
That, my friend is how life is,  
And now my tale is told.  
So, enjoy each day and live it up...  
Before you're too damned old!

## Hmmmm

I have everything that I wanted as a teenager, only 60 years later. I Don't have to go to school or work. I get an allowance every month. I have my own pad. I don't have a curfew. I have a driver's license and my own car. The people I hang around with are not scared of getting pregnant and I don't have acne. Life is great. I changed my car horn to gunshot sounds. People get out of the way much faster now.

Gone are the days when girls used to cook like their mothers. Now they drink like their fathers.

I didn't make it to the gym today. That makes five years in a row. I decided to stop calling the bathroom "John" and renamed it the "Jim". I feel so much better saying I went to the Jim this morning.

Old age is coming at a really bad time.

When I was a child I thought "nap time" was a punishment. Now it feels like a small vacation.

If God wanted me to touch my toes, He would've put them on my knees.

Last year I joined a support group for procrastinators. We haven't met yet.

Why do I have to press one for English when you're just going to transfer me to someone I can't understand anyway?

Of course, I talk to myself. Sometimes I need expert advice.

At my age "Getting Lucky" means walking into a room and remembering what I came in there for.

## MOVE TO MEXICO – JUANITA / JIM LAYE

What are the reasons we decided to move to Mexico? The degradation of Canadian Society, future tax increases, Mr Dressup, Spending like no tomorrow, silver spoon brat. High cost of living and Inflation, crime and murders. The crime in Canada is about marketing and selling drugs. We feel safer in Mexico than Canada, but to qualify that, we don't go to the bad areas, ie. bars after 9:00 P.M.

The next reason is the cost of living, here are the breakdowns

	<u>Canada</u>	<u>Mexico</u>
Prop. Taxes	77.00 / month	77.00 / <u>year</u> 6.25 month
Condo Fees	450.00 / month	75.00 / <u>year</u> 6.20 month
Heat (Propane)	0 - 150.00 mo.	41.66/ month
Electricity	125.00 / Month	20.00 / month
Wifi	0	25.80 / month
Cable wifi	175.00 / month	25.00 / mo (streaming)
Water	0	7.28 / month
Bottled water	0	16.00 / month
Cell Phones	45.00 / 28.00	13.33 / 13.33 month
Food	700.00 mo. (going up)	400.00 / month
	Total <u>1600.00</u>	Total <u>524.00 month</u>
Eat out	fancy 65.00 ea. Time (both)	10 – 20.00 ea time (both)
Rent	1200 – 2500 mo	700 – 1000 mo.
Taxi	10 – 12.00	3.50
Transit bus	2-2.50 dollars	.50 cents
Gasoline	1.35 / Liter	1.43 / Liter
Ultra sound	free but 4 months wait	65.00 on the spot, 2.5 hours
Emg room visit	free but 4-8 hr wait???	35.00 on the spot
World commodity products work out to be about the same prices		
Bbq prices are 2-3 higher here	600.00	<b>1800.00</b>

Third is the healthcare. In Canada Jim waited 10 days to get an appointment for a doctor then a further 4 months to get an ultrasound? In Mexico he walked into the hospital. in 15 minutes he was seeing a doctor and another 15 minutes he was getting an ultrasound, the procedure was much more detailed and thorough than Canada. It did cost us 65.00 and 35.00 though, and he got film x-rays.

Fourth is no snow and warmer weather. The biggest problem is, Jim had to put long pants on 3 mornings then bitches it's too hot later but generally it is between 65 -72 deg. F. They are totally metric here, I'm not. We picked the Lake Chapala area because of the moderate temperature, low humidity, no snakes, alligators and lack of insects. The coast gets Hurricanes, humidity (arthritis), a younger tourist base and therefor more tourist vendors. There is a higher concentration of Drugs and drug problems on the coasts. People getting shot, (drug wars).

Because there are predominately older expats inland, most goods and services are a lot cheaper than the coast, you do have to be careful wherever you are in Mexico. There are 4 bad spots for drugs, northeast and northwest borders with the U.S.A., the coasts where the younger tourist are, and the Drug cartels are fighting.

The drawbacks of Mexico are the cobblestone roads, they are narrow and one way, the sidewalks are terrible. The Mexican people are loud and fun loving. They have these "Cojetes" loud fire crackers during Oct – Dec (Festival season, weddings). The Spanish language barrier – minimal.

My final advice to everyone is, **please don't come here, it is getting way to busy.**

## LAST SHOE

### **RODERICK (BUD) PERRY PENTICTON NOVEMBER 20, 1931-DECEMBER 27, 2021**

It is with sadness that we say goodbye to Bud Perry. Bud passed away peacefully on December 27th with his family by his side.

He leaves behind his wife of 64 years, Carol, his daughters Debbie (Brian), Linda, Shannon, and Lisa (Chris), as well as grandchildren Kristen (Andrew), Jana, Cari, Greg, and Selby (Fahim) and great grandson Rhett. He is also survived by his youngest brother John (Jackie) and many nieces and nephews.

Bud was born and raised in Salmon Arm and had strong family ties being the 12th of 13 children. He loved sports, especially lacrosse and basketball and had a special place in his heart for horses.

He worked in the logging industry and moved to several remote locations and eventually settled in Coquitlam to raise his family. He loved spending time with his family whether it was camping, fishing, skiing, coaching his kids many sports teams or visiting extended family.

He eventually retired in the Okanagan and embraced the retirement lifestyle. He was always very active. He and Carol loved to golf, dance, horseshoe, and travel together. They enjoyed the time they spent as snowbirds making homes in Hawaii and Arizona.

Bud was a kind, generous man who touched the lives of many people and will be remembered for his easy going and caring nature. He had a wonderful sense of humour and a big heart and will be greatly missed by all of us. We will cherish all the memories and keep him in our hearts forever.

### **SALMON ARM HORSESHOE CLUB – BEN GARTNER**

My input for your newsletter is as follows.

It is hard to believe that we are in the second month of 2022 already, and before too long, the snow will be gone and the members will be looking forward to getting back to throwing shoes...

It has been quite a winter, and with Omicron we observed new mandates and restrictions which we hope will ease as Spring rolls around.

Have stayed in touch with members and everyone is healthy and safe. Received memo from Amy Kidd saying that she and 5 other members have started a bowling team, named "The Horseshoe Gals ". It is a bit of advertising for the Club, and they are having a lot of fun. This seems to be a good way to stay in touch with some of our Horseshoe buddies throughout and off season. Trust all is well with you.

## VICTORIA CLUB REPORT – JUNE LAZENBY

After a long and dreary winter with lots of snow and atmospheric rivers, Victoria Horseshoe Club has hit the ground running...

Wednesday morning drop-in drop play has been gathering about 16 people for 3 games of 40 shoes.

Spring League started play last week with over 30 folks in attendance. Many of our Sooke neighbours have been joining us and we enjoy their smiling faces even if they do keep winning the 50/50 pot.

Saturday February 12 was our first tournament of the year - Ringers Only! The stats and results were posted to the Victoria Horseshoe Club Facebook page and our new web page at [vichpa.org](http://vichpa.org) - pop on by and have a look!

Our Valentine's Fun Day took place on Sunday, February 13 right after league play. It kicked off with free hot dogs for lunch and then moved into more serious sweetheart events.

Meet the Sweetheart Master of Ceremonies Bob McCauley

First event was the very entertaining Poetry Slam – there's a lot of Undying love in the GVHPA

Next up was the Don't Break my Heart Event - players had to throw two shoes to score without breaking the heart...

13

And finally the Sweetheart Swirl Extreme Ultra Horseshoe Event – partners threw 24 shoes for total points...Honest to God – this is Barbie & Ken...doesn't get more Valentine's Day than that.

There are more photos on the Victoria Horseshoe Club Facebook page, and more will be posted at vichpa.org.

As the weather improves we'll get back to more horseshoes and cornhole will start up again. The draft for Summer League will take place once Spring League ends.

We send our best wishes to all the horseshoe players out there and hope to see everyone this year at the various tournaments – stay safe!

## **BCHA PRESIDENT REPORT – BOB MCCAULEY**

Hello Horseshoe Family

The last couple of days have been bright and sunny! Hope springs anew as our clubs are burrowing out of the winter doldrums. I have detected the faint stirrings of local horseshoe pitchers preparing for a new season. At the Victoria Club we have started our spring league with a satisfactory number of participants, all things considered. Summer league seems to be in the distant future, but we are hoping for a greater number of members coming out. Our biggest detrimental influence has been Covid, of course, and I assume it has been similar with all clubs throughout the province.

As we enter into the third year of our Covid protocols, I believe that everyone is suffering from Covid Fatigue, if not full blown Covid Psychosis. I would urge everyone to stay the course and remain optimistic that this too shall pass. We will soon return to the world that we have previously known. Stay strong.

These spring like days are filled with planning for the upcoming season. There is some chatter around the Ol' Coffee Table about heading up to High Prairie in August for the Western Classic and the Canadian Championships. A recent show of hands indicated that there would be eight to twelve of us that are including this adventure in our summer plans. I imagine that the same hopeful attitude is in place in all of our provincial clubs. It is certainly my wish that we can get a large provincial contingent involved to "invade" High Prairie and dominate ! - with typical Canadian politeness of course !

Let's break out for real and get those spring and summer plans nailed down. After all, if we don't make Olympian plans our sport may never be included in the Olympics! Happy Pitching!

## ODE TO A HORSESHOE PEG – ELAINE MCMATH – SOOKE HORSESHOE CLUB

### Ode to a (Horseshoe) Peg

You are so slim, so visible and so strong  
How can I miss you and shoot so wrong?  
Maybe I should change up and start smoking a bong?  
Or change sports entirely and take up ping pong

I long to enfold you and wrap myself around  
But you move, I swear, and don't stay in the ground  
And I curse myself royally and start wearing a frown

You sit in the middle of a pit full of sand  
And I want my shoes to hit you, hit you and land  
Right on top of you and settle right down  
Not hit the cement and make that awful sound

Often I waiver and my shoes seem to pan  
And I don't know why, is it my hand?  
Oh peg, can't you help me, I am a fan  
so want to be near you, I am your woman

So this poem is for you and it is not vague  
I want to be with you, oh beautiful peg!

## LADYSMITH HORSESHOE CLUB – VINCE HERKEL – PRESIDENT

Hi Sam, hope you are doing well, the Ladysmith Horseshoe Club members are starting to get the pitches & courts cleaned up, Tony used his high power blower to get rid of all of the leaves & twigs that have accumulated since last fall.

I went down today and dug up the pitches and painted the pegs and because it was such a beautiful day I decided to throw a hundred or more shoes.

While throwing shoes a fellow named Ken came by asking for info about our club, with the result being that later in the spring he is going to join our club when he gets back from southern

Arizona with his horseshoes.

I was contacted recently by Laurie Miller, the Zone 2 coordinator for the 55+ Seniors Games, to be held in Victoria this year, and she informed me that Peter Kucey from Parksville, the Zone 2 horseshoe coordinator passed away last year so they are looking for a replacement.

Laurie also told me about the "Give It A Try" sports program being offered to Community Recreation Centers, funded by BC Lotteries with up to four different sports that can be included. I will be contacting our Ladysmith Rec. Director tomorrow to see if we can get horseshoe pitching included with the hope of getting new members to join the Ladysmith Horseshoe Club. Will let you know how it goes, that's about all to report other than crocuses, snow drops and other flowers are all in bloom down by the pitches and lots of freighters in the harbour, see attached photos

Well next time we may have more to report on but in the meantime be safe

**VERNON HORSESHOE CLUB – DWIGHT COUSINS – PRESIDENT**

Hi Sam, good to hear from you....not too much to report about our Club activity but for the Newsletter:

Hi to Everyone from the Vernon Horseshoe Club

:

We certainly hope that you are all doing well as we are here. The last two years have been full of challenges that seem to never end but our members have persevered and stayed strong. The only casualty that I am aware of is Lucille Graves who, in the middle of December, fell and broke her hip. I understand that she is well on her way to recovery but requires the assistance of a walker at times. I'm sure we'll see her among us when we fire up again in the spring.

We normally have Socials throughout the winter to keep us in touch with one another but, of course, that hasn't happened in the last few years. Recently we asked our members if they wanted to get together for a coffee at the Clubhouse and it worked out quite well with a number of members coming out and finally being able to "get out of the house". I hope to continue doing this until all our members feel comfortable enough to have a "Social".

Once again, for the Third time, we are hoping to be the hosts of the B.C. Provincial Tournament. With the current relaxation of some of the Covid restrictions it actually looks promising and we will continue to monitor the situation with the hopes that it will finally happen.

One point of concern that I have is how many members of other Clubs would feel comfortable enough to attend. Of course the Tournament doesn't happen until September so it would appear that there is lots of time to evaluate attendance but preparations will start several months earlier, so would appreciate hearing from other Clubs regarding this...Just drop me a note at cousinsclan1@gmail.com...Thanks.

The snow is disappearing quite rapidly from the Clubhouse grounds but I don't think 'OL Man Winter is finished with us yet, so will have to bide or time for awhile yet. The world is supposed to be heating up but I'm sure the winters are getting l-o-n-g-e-r. We'll chat again soon. Meanwhile, take Care and Stay Safe.

I go to KFC to get the kids something to eat. They wanted the kids meal with a leg so I said "kids meal with the leg" and the lady says "which side?" Me- \*complete silence as I heavily contemplate such an odd decision\* 🤔🤔

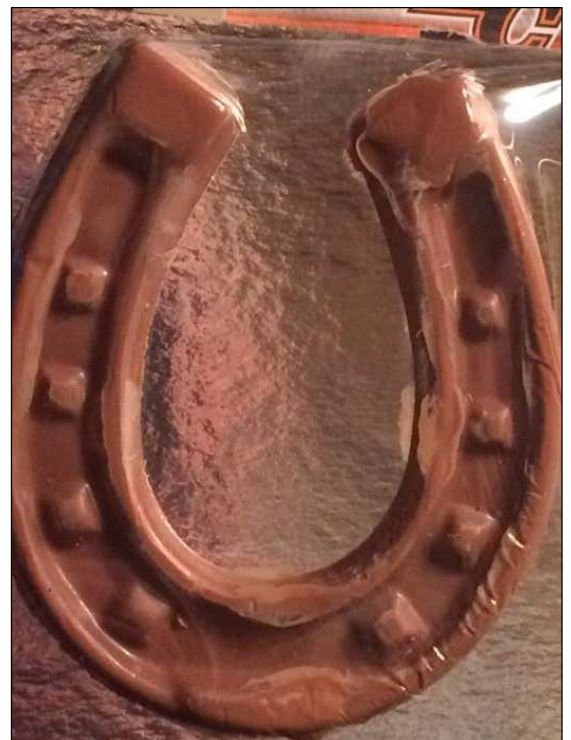

"I guess the right side, I don't know what the difference is." After several moments of laughter she says "no hunny which side would you like to go with the leg? "Mashed Potatoes or wedges"

Jesus take the wheel.

It's been a long day. 🙄
