LAST SHOE – ELYSE BRUNELLE – CENTRAL PARK HORSESHOE CLUB

From Gaetan – Thursday April 23, 2021

Hello Sam. Not looking to good for Elyse. She got a stroke last night a serious one on Tuesday she got one in the late morning and a other one at night, those one was like "light" but a stroke is a stroke. Doctors; hoping no swelling gets to the brain; that would definitely complicate the situation. Hope to get back to you with better news .Doctor say it's the left side that is affected. Gaetan

April 26, 2021 MONDAY FROM GAETAN

Received a call; this morning with bad news. ELYSE BRUNELLE passed away at 2:30AM, today, Monday. RIP my friend

All i can think of is watch out heaven, you are about to see one of the great ladies battles in horseshoes, BERNICE BUSCH VS ELYSE BRUNELLE.

TRIBUTE TO ELYSE – LINDSAY HODGINS - All I have to say is that I'm glad I got to meet her and play against her all these years!!! She was one of the most supportive amazing players that I've met and she believed in my pitching abilities more than I did myself. There is going to be one heck of a game up in heaven tonight. I'm going to miss her!!!

JOHN HAMLER AND CINDY HELGESON

SAD NEWS; ON ELYSE BRUNELLE PASSING AWAY; SHE WAS ONE OF THE GREATS. I HAD THE PLEASURE OF SERVING ON THE BCHA EXECUTIVE WITH HER. SHE WAS ALWAYS WILLING TO HELP OUT

ANY WAY SHE COULD.

SHE COULD ALWAYS BE FOUND SCOREKEEPING, EACH YEAR WORKING THE BCHA TENT HELPING WITH OUR RAFFLES AND 50/50 DRAWS DURING OUR TWO MAJOR TOURNAMENTS.

WE HAVE MANY FOND MEMORIES OF ELYSE. I REMEBER INTRODUCING HER TO SLIVOVICA, FINDING HER MISPLACED HORSEHSHOES AT THE BC'S IN PENTICTON, THE "MERRITT" WEEKEND, BREAKING INTO HER CAR WHEN SHE LOCKED HERSELF OUT, AND HER GENUINE LOVE OF THE GAME.

FROM SAM TOMASEVIC

The next unsanctioned event (backyard horseshoes), that I will run will be a tribute to ELYSE BRUNELLE. The event will be called THE ELYSE BRUNELLE MEMORIAL, strictly unsanctioned, no entry fee, OPEN ONLY TO BCHA PAID UP MEMBERS, NO ENTRY FEE. The event will start on May 17th and end at 6PM May 28th, 5 games of 20 shoes, count all ringers and single points.

Come on BC let's all get together and remember ELYSE, the way she would want us to, that being, throwing horseshoes. If you are interested, please send me an email, BY MAY 12th, tell your fellow horseshoe players.

SALMON ARM HORSESHOE CLUB – BEN GARTNER PRESIDENT

Really not much new to report just wanted to update everyone. Our members have enjoyed the fine weather these past weeks, and took advantage of having a couple of" maintenance "days, cleaning the Clubhouse and preparing the grounds.

Sorry to say at the moment have four members on the injury list, Wayne Cook and Ted. Peters recovering from heart attacks, Ted .Honkola overcoming his hip surgery (he did play 3 full games today) and Ursula Petersen had hand surgery and doctor said she will be back to 100% in

three weeks.

On the brighter side of the coin we've had posters and newspaper ads to encourage people to come and join our club and so far gained three new paid members and potentially three more in the coming days ahead. I am very proud of being part of a great bunch of people out to have a good time.

At the moment we play Tuesday and Thursday starting at 1:00pm and will change to 6:00 pm May 11th

We have all enjoyed meeting new people and socializing after our practices. Everyone is looking forward to the day when things will get back to some normality. Wishing everyone; a good day and stay healthy and safe.

TOM MOFFAT CANADA 21 SERIES

The poster features the text 'CANADA 21 SERIES' in large, red, serif font. Below it, in smaller black font, is 'ONLINE EMAIL TOURNAMENTS', '7 games of 20 shoes', and 'Deadline Sundays 9pm pacific'. A line of text reads 'A new tournament every monday'. To the left is an icon of an envelope with three horizontal lines above it. To the right is a circular logo for the 'BC HORSESHOE ASSOCIATION' with a green map of British Columbia and a blue horseshoe. Below the envelope icon, the text 'email to xpostix@gmail.com' is displayed.

Hi everyone just a heads up as I will be starting the Canada email series again this year as looks like not going to be any in person tournaments for awhile.

I will be starting these in May. Stats will be sent to Canstats and put in the backyard section. It's the only thing we have going right now that can get people involved in.

Sam got 48 people in his tournament and I did about the same in my April foolish email tournament.

People are all ready asking me about these.

I will be running these short one week tournaments every week. They will run from Mon to Sun each week with Sunday 9pm Pacific Time deadline to receive scores by email.

7 games of 20 shoes count all only for paid up members in Canada and USA. First one runs May 3-9

Two weekly draws for \$20 for Canadian Pitchers competing. I will be sponsoring the first tournament. I'm looking for sponsors for the following weeks. You can sponsor the tournament for \$20 or \$40. Draw prizes will be email transfer to you. Ok let's start the first week in May

2021 Horseshoe Canada Canadian Championships Cancelled Horseshoe Canada Members,

On Sunday April 25, 2021 the Horseshoe Canada Executive met with Tom Gallina, who represented the Host Club from Guelph, Ontario. The meeting purpose was to discuss the 2021 Canadian Championships and whether they would move forward.

The outcome of the meeting is that the 2021 Canadian Championships will be cancelled due to the ongoing COVID-19 Pandemic. The Province of Ontario has been hard hit in the last few weeks, other Provinces are restricting travel and it has been difficult for the Host Group to do fundraising as the Legion in Guelph has been closed for the most of the past year.

The Executive and the Host Club have made this decision in order to keep you our members safe and to ensure that the Canadian Championships are accessible to all Canadian pitchers and provide an experience to remember.

I know this is a tough, having lost our on our premier tournament again this year. This decision was not taken lightly but we must keep in mind safety and access to the tournament.

The 2022 Canadian Championships are slated for High Prairie, Alberta and the 2023 Canadian Championships are slated for Guelph, Ontario. Where do we go from here?

First, Tom Moffat will be running the weekly Canada 21 Series, a weekly online tournament of 7– 20 shoe games, with the first one starting May 3-9. We will post more details here and on Horseshoe Canada and social media.

Second, The Horseshoe Canada Backyard Championships will be held again this year, with the tournament taking place in late August and early September. We will be building on last year event, so stay tuned for more details.

Third, Horseshoe Canada is not shut down. As an organization, we are still sanctioning tournament, recording stats and here to help Provincial organizations and the pitchers of Canada. We encourage you to renew your 2021 memberships (you will need this to compete in the Canada 21 Series as well as the Horseshoe Canada Backyard Championships. Maintaining membership is the key for future success, so please renew your membership.

Horseshoe Canada is here to assist any Province that would be able to host their Provincial Championships in 2021. We, in New Brunswick, were fortunate enough to host our 2020 Provincials and I am hoping that other Provinces can at least host a Provincial Tournament.

Once again, our summer will not a normal one, however do not let it keep you from the pits, whether they are your backyard pits, your Club or League pits.

In closing, please feel free to reach out to me, jrideout.tp@gmail.com or via Facebook or give me a call if you have any concerns, issues or ideas. The Executive are also accessible and I encourage communication with your Provincial organizations.

Regards, Jason Rideout President Horseshoe Canada

COMOX VALLEY HORSESHEOE CLUB – ERIC KELLOW

Not much is happening in Comox Valley. The local politicians have pretty much adhered to Dr Bonnies edicts, this means no playing as a league with hopes that this will change (for the better) sometime after April 17.

The Courtenay pitches are open to individual practice as and when one wishes. Have no info as of this date regarding the Cumberland Park. Doggone, having just said all that, the word is out that the April 17 date may be extended to the MAY long week end. Oh well, we on the bottom

of the totem pole are usually the last to know anything tho I read somewhere the bottom was all the chiefs who support the wee people who actually are on the top.

The cub executive here is sill wrestling with what we will do. Once a decision comes from on high we will move, all those itchy feet syndromes. You asking for some comments by 16 April reminded me that I will be 9/10 of a hundred years old on that day. One begins to ponder great things like the certainty that the individual who added the first r in February is also the one that spelled Wednesday.

JIM AND PHYL QUIST –BELLINGHAM HORSESHOE CLUB (WASHINGTON)

Jim & I grew up in a small town in Minnesota and went to High school together and started dating in our senior year – and the rest is history. We will be married 64

years in June. We have 2 children and 1 grandson. Life has been good. Jim was a Tel.Co. Tech and I worked in Escrow and Real Estate Admin – both now retired.

A neighbor up the street from us walked by one day and Jim started talking to him. His name was Ron Dixon and he was a member of the Bellingham H.S. Club. He invited Jim to check it out and that got Jim started in 1988 and I joined him the following year. The Bellingham Intl tournament brought many Canadians down. It was the years when Winnie Winetrout put in \$10,000 prize money each year. Every entrant received a payback. One year we ran 160 pitchers through in 2 days.

Gerri Bigham invited us up to our first B.C. tournament. We love playing in Canada – we are always so graciously welcomed.

Jim was instrumental in working with John Hasell in creating his all encompassing computer program, which was used by Washington for many years.

Jim was Washington. State stat man for several years – the days when all was done by hand. He'd recalculate percentages after each tournament, type up new stats and mail them to the T.D. of the next tournament.

At that time he was also the Regional Director. I have been the Bellingham Club Sec/Treasurer. for many years – served as State President for 4 years and now track the stats for the state plate and plaque award program. We also served as Jr. Promo directors for several years. We took juniors with us to the World Tournament several times. Such fun in 1997 we were inducted into the W.S.H.P.A. Hall of Fame.

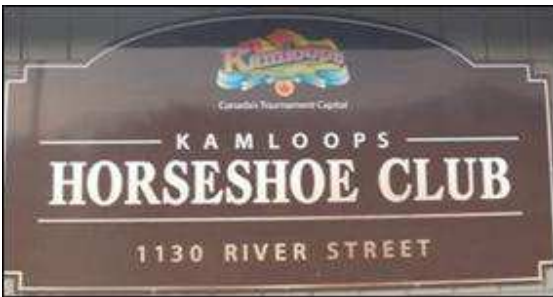

I became active in the National organization by helping rewrite the rules which became the RGS book which we now use.

I also serve on the NHPF board of directors.

Jim has attended 32 consecutive World Tournaments – I have made 29. We so look forward to those two weeks every year. In 2003 we were awarded the NHPA Achievement Award, in 2016 we were awarded the NHPA Presidential Award and in 2019 I was honored by being inducted into the NHPA Hall of Fame – a very humbling experience.

More than anything else we've done – the friendships we've gained along the way is what gives us the greatest satisfaction. Horseshoe people are the best in the world – and shoes across the border are such an important part of that.

KAMLOOPS HORSESHOE CLUB – JIM MICHIE AND MARCIE NORQUAY

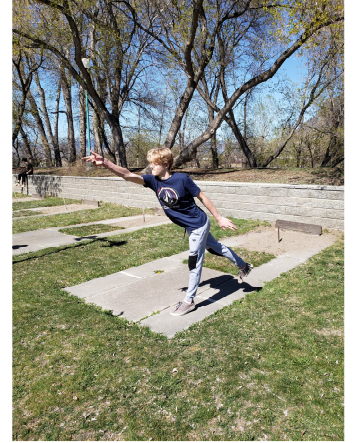

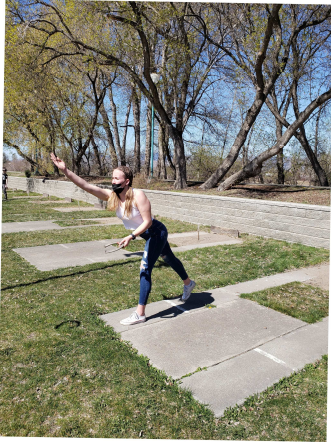

The Kamloops Horseshoe club hosted a fun day for a group of kids.

They were from the Kamloops Christian School, grades 9-12. Great to have them there, having fun.

Jim Michie, Marcie Norquay and Betty Hart were there to unlock, find some extra shoes, and give them pointers and explain a few rules.

There were 20 kids. They were the Outdoor Ed class. Vice Principal Terry Downton brought them down for the afternoon.

The **VANCOUVER GIANTS**, had their hockey team drop in on Thursday April 22nd to the KAMLOOPS HORSESHOE CLUB for something to do While they wait to play the KAMLOOPS BLAZERS.. From what we heard, they had a blast.

WINFIELD HORSESHOE CLUB – JOHN HAMLER – PRESIDENT

Former Member Rose Harms Passed on April 8th. She ran the kitchen for years for tournaments & various gatherings. She took part in cribbage. Former member Bob Kennedy passed on March 25th. We will get both added to our Wall of Honour in the clubhouse.

The club has paid all the memberships fees for its members this year, at the clubs expense.

We should have water back on in the clubhouse in the next two weeks, once that happens we can use the clubhouse on a limited basis.

We have full temporary power and will be on permanent later on in the summer when the construction next door gets further along.

Cindy is progressing with her knee replacement that was done on March 30th. A little set back this week with flu like symptoms. Tested for COVID on her doctor's direction, which thankfully came back negative!

DON'T MESS WITH OLD PEOPLE

I know I shouldn't have done this, but I am 83 years old and I was in the McDonald's drive-through this morning and the young lady behind me leaned on her horn and started mouthing something because I was taking too long to place my order.

So when I got to the first window I paid for her order along with my own.

The cashier must have told her what I'd done, because as we moved up she leaned out her window and waved to me and mouthed "Thank you.", obviously embarrassed that I had repaid her rudeness with kindness.

When I got to the second window I showed them both receipts and took her food too.

Now she has to go back to the end of the queue and start all over again, don't blow your horn at old people; they have been around a long time.

VICTORIA HORSESHOE CLUB – DEREK THORPE – PRESIDENT

There is not much happening at our club. We are limited to a maximum of 10 people on site at any given time.

We are allowed to play walking doubles, but with the restrictions that are currently in place, it only allows the use of 2 pits. The walking doubles is allowing us 4 players per court. With our maximum occupancy of only 10 players permitted on the property that limits us to 2 pits. We could in theory have a single player on 10 different pits, but the members can make up their own minds as per what they want to play. So basically, we can do what we want as long as there are no more than 10 people on the property. This is the guideline laid out by Saanich

We have quite a few members taking part in the on line tournaments.

Sante and his team of dedicated members are busy replacing the sand in the pits, and doing a fantastic job maintaining the grounds.

Tom has been busy communicating with corn hole Canada ensuring that we are totally set up and ready to kick off a new sport at the greater Victoria horseshoe club. We are hoping that the new corn hole league will draw a younger crowd of participants and it will generate new horseshoe members

That's about it for now, let's hope we can all start pitching shoes soon, and all get together with friends that have been missed through this pandemic.

FROM 2010 – CANADIAN CHAMPIONSHIPS New Canadian Men's Champion Buddy Dyrda

Pictured is the new Canadian Men's Champion **Buddy Dyrda** in action against Ontario's Stan Leis. To the right, also with a blue shirt, is Tom Moffat who is the newly elected Horseshoe Canada Vice-President.

The championships were held at the beautiful Victoria horseshoe club courts Buddy, who was raised in Victoria, won in his first try in the men's division at age 23. He was Canadian Junior Boys champion three straight years in 2002, 2003 and 2004.

The Canadian win crowns a great 2010 season where he also won the Alberta Provincial Championships and the Western Canada Classic.

QUESNEL HORSESHOE CLUB – JEANETTE FERRARA

We have just started to pitch fun nights. Had one night, now it's raining for a few days. I will start collecting memberships next week.

ROOF ADDED TO SOOKE HORSESHOE COURTS – CHANTIL WILSON – PRESIDENT PHOTOS FROM GAIL BISHOP

Sooke has been busy with WORK PARTIES, for new sand for the pits and painting pegs and lines and general clean up. We are thankful to have such a strong volunteer group in Sooke.

We have had 2 new members and our total membership now is 27 and 7 dual members. We continue to have casual play on Saturday mornings and everyone is enjoying it as the weather gets better.

BIG NEWS FOR SOOKE!!!! We were generously donated a beautiful shelter to keep our members dry and out of the heat if need be.

A HUGE THANK YOU TO BARRY AND JOY DEVOCHT AND TO ALL OUR MEMBERS WHO HELPED PUT THIS UP. I am so proud of our club for coming together on our projects and so fortunate to have so many helping hands.

Sooke continues to play in the online tournaments with most of our members participating.

We have had a score keeping clinic for league play and plan on having another to refresh and another for tournament scoring, so that in the future all our members are prepared to hopefully run tournaments.

In the meantime to all the clubs out there come together and make the most of this frustrating time. Try and do it in a safe and fun way as we do in Sooke with strict COVID PROTOCCOLS

FROM SAM TOMASEVIC

The next unsanctioned event (backyard horseshoes), that I will run will be a tribute to ELYSE BRUNELLE. The event will be called THE ELYSE BRUNELLE MEMORIAL, strictly unsanctioned, no entry fee, OPEN ONLY TO BCHA PAID UP MEMBERS, NO ENTRY FEE. The event will start on May 17th and end at 6PM May 28th, 5 games of 20 shoes, count all ringers and single points.

Come on BC let's all get together and remember ELYSE, the way she would want us to, that being, throwing horseshoes. If you are interested, please send me an email, BY MAY 12th, tell your fellow horseshoe players.
