His and Methods sons have taken over the business.

METOD NOVAK

Metod Novak came from Slovenia to Canada in 1974. He is the younger twin to Ciril Novak. He has working in the logging industry since his arrival in Canada.

He married Mimi 1975 and have 3 children, 1 daughter Helena and 2 sons - Gordon and Tommy. They now have 9 grand children.

He and Mimi moved to 10 Mile Lake in 1981 and retired from logging. His and Ciril's sons took over the logging business.

He and Mimi both love to pitch horseshoes and travel in the summer. In the winter Metod is an avid ice fisherman. Metod has pitched shoes a few times in Prince George and never misses our tournaments. Both Metod and Mimi are a great addition to our club and make our time spent at the pits very enjoyable. He is always good for a laugh.

NHPA – 2021 WORLD TOURNAMENT

Interesting news from the NHPA – A shame no one in Canada will be attending, our daily numbers in Canada are through the roof

We are so excited to announce to you that the **2021 World Horseshoe Tournament is on!!!**

We have been in regular communication with Winnemucca and have received approval to let you know that the 2021 World Horseshoe Tournament will proceed as scheduled. We strongly encourage everyone to make their plans today to join us and make this a World Tournament that will be written into NHPA history as one of the best. Being isolated for over a year has been hard on all of us and we look forward to seeing you, competing with you, and recognizing all of the champions that we have in our sport.

The deadline for to enter is June 8th.

At the present time, there will be **no COVID-19 restrictions** and we hope that our country will continue to heal from this awful pandemic. We look forward to being with each of you again.

For the latest information regarding accommodations in Winnemucca, please refer to the following website:

<https://winnemuccahorseshoes.com/>

A COMMENT I FOUND: The wise men who run this tournament should open their eyes n look around. The world is still in crisis. Hello people, I thought part of your song says “oh say can you see by the dawns early light”. Let us have common sense prevail. Just what part of the world will actually attend or for that matter can attend.

JASON RIDEOUT – PRESIDENT HORSESHOE CANADA

As President of Horseshoe Canada and on behalf of Horseshoe Canada, I want to say that 2020 and 2021 have been a challenging time. Horseshoe Canada had to make a tough decision to cancel the 2021 Canadian Championships.

I know that the NHPA had to make the tough decision last year as well as the tough decision this year to host the World Tournament. I am disappointed that I cannot attend the World tournament but as Canadian pitcher, we cannot expect the World Tournament to be postponed on our behalf. The NHPA and Horseshoe Canada have to operate with their own Country.

Unfortunately, Canada situation is different than the US. It appears that we are starting to catch up. I would like to wish all the best to the NHPA, the host group in Winnemacca and all the pitchers that are able to attend this year's event. I can understand it is frustrating for us Canadians that cannot attend due to restrictions in our Country, but we should be supportive at this time.

As always, I am always available to be contacted with concerns. I would ask that members of Horseshoe Canada reach out to me with if you have concerns, ideas or opportunities. In closing, Horseshoe Canada is working keeping pitchers engaged in Canada this year and planning for 2022.
