This year marked the 31st Anniversary of our International Highwayman Tournament. To help celebrate this milestone we erected new clubhouse signs that we managed to get in place just prior to the tournament. We also received a very generous donation of a tennis bracelet from Lanka Jewelers that we raffled off as a special 31st Anniversary Raffle.

A very special thank You goes out to the Highwayman Pub who for the past 31 years has supported the club with their financial donation to our event. Their continued support has been a big boost to this tournament. This year we registered 68 participants from across BC, Washington State and Oregon. We were excited, to once again, have local singing celebrity Cambrie Lovesy sing both the US and Canadian National Anthems, and Councilor Faulk who brought greetings from the City Of Abbotsford.

The Abbotsford Horseshoe club would like to extend a special thanks to all those who travelled from the US, the Island and the interior. Thanks for your support!

And last, but not least, thanks to ALL those who volunteered and contributed to the success of the event; those who worked to prepare the grounds and pits prior to the tournament, those who arrived early every morning to set up, sponsors who donated items to the door prize draws, the kitchen volunteers who provide delicious breakfasts and lunches, and to all participants, score keepers and judges! And we can't forget those who work diligently behind the scenes to organize this event. Without all of you we would not be able to organize such an enjoyable, fun and successful event.

The Abbotsford horseshoe club is very proud of our dedicated members who are always willing to step up and go above and beyond, you guys and gals are amazing!

Our executive has set a goal this year in recruiting and growing our club. We have contacted the Lawn Bowling Club and other organizations in the city to introduce their members to horseshoes.

We have started off the 2019 season very well, as we have increased from 28 members to almost 40 members.

Our Monday and Wednesday evening club tournaments have been very well attended with well over twenty participants coming out to challenge their fellow club members.

We are working closely with the City of Abbotsford to introduce horseshoe pitching into their summer youth programs. We are looking forward to an exciting year as we continue to grow our membership.

Members of the Abbotsford Horseshoe club are looking forward to attending other club tournaments in the Lower Mainland, the Interior, the Island, and the US this summer!

VERNON HORSESHOE CLUB – DON MYRFIELD

This spring brought anxious pitchers back to the Club with the early spring warmth. With the +55 BC Games Grant we had our New Patio Shelter installed, and the new look is Fantastic!

We have had some attrition with a couple of members not returning due to other interests, but in the same light, we have had 4 new members sign up and are enjoying their experience pitching shoes.

To date we have had 20 young Beaver Scouts come and pitch and learn about the sport of Horseshoes.

We had 22 Vernon High School students come to pitch again this year and a good time was had by all. We have the Alternate School come to pitch with a few students this coming week.

Exposing the youth to the sport of horseshoes and pleasures of pitching a ringer is the hope that they will retain it and come back to the sport when they are ready.

Our first Tournament is coming up on June 08th, and hopefully good attendance and weather will prevail.

We were informed that we were chosen to host the BC Provincial Tournament in 2020, and it has brought a new excitement and energy to the Club.

Here's wishing you all a good summer and good pitching and hope to see you at the tournaments.

FROM QUESNEL HORSESHOE CLUB – JEANNETE FERRARA

HI SAM. WE STARTED THROWING SHOES MONDAY MAY 6TH.

Winfield Horseshoe Club Activities & 55+ B.C. Games Info. – Bernie Lepper

One of our long time members who is well known throughout B.C., Andy Danyleyko who pitched for many years in the Men's "A" 30ft. division, is starting to decline at 95 years young. He probably will not be entering any tournaments this year as his health is very fragile in recent months. I'm sure all the horseshoe community will be willing him their thoughts & prayers.

With partial power recently at the clubhouse we have to work around each situation as it comes up until the City of Winfield repairs the line coming in. The Winfield horseshoe tournament scheduled for June 1st will be a challenge but the President has been working on the tasks for weeks to make the events this summer run as smooth as possible.

Our summer league is every Tues. & Thurs. at 1 p.m. until it is too hot and then it probably will be at 6 p.m. If any of you huckers are in the area please drop by.

Winfield like all clubs are looking for new pitchers and this year we have 3 ladies who will be playing tournaments and keeping score very soon. We could also use a few new men pitchers to balance the membership.

Please register as soon as possible to participate in the 55+ B.C. Games which will be hosted by the Winfield Horseshoe Club on Thursday & Friday Sept. 12th & 13th. The deadline to register and participate is June 23rd. There is no qualifications as in other sports therefore all registrations will qualify to pitch the two days regardless of how many entries from each zone. There will not be any "Horseshoe Doubles" played in these 55+ games as stated in the "Horseshoes Sport Form" which each competitor will be filling out.

Submit Registration Forms and payment to your Zone Rep. before June 23rd. The FEES to participate are as follows -- (1) Participant Registration \$55.00, (2) Member in B.C. Senior Games Society \$20.00, (3) Sports Fee for Horseshoes \$10.00, some zones are paying the sports fees for their athletes,

We will be looking for Scorekeepers for the two days so practice up as you will be needed at the Games in September, unfortunately scorekeepers are volunteers in these games, but in this 55+ B.C. Games hosted by the Winfield Horseshoe Club the scorekeepers will be paid the usual fee by the horseshoe club.

All volunteers should register with the 55+ B.C. Games and receive all the benefits that is available to them from the Games.

Looking forward to seeing all you Huckers at the Winfield Club this summer and especially the 55+ B.C. Games in September.

GAIL BISHOP – ISLAND/POWELL RIVER/LOWER MAINLAND REGIONAL REP

I'm an Island girl since birth, an only child. I spent my first seven days in Nanaimo – only because my mother decided to visit relatives there at the wrong time!! The rest of my life was spent in Victoria until we moved to Sooke in 2006.

My working career started at the Hudson's Bay for 10 years, time off to have two sons, then into mining exploration for 13 years, on to marketing – great fun with lots of travelling - until retirement. Now, with our combined families, Steve, who I've spent 40 years of my life with, have one daughter, 3 sons, 3 grandsons, one granddaughter and one great- grandson. Our life is kept very busy with lots of family get together' that are usually held at our place.

I've tried playing different sports during my life – bowling, softball and golf, never any good at any of them, but I enjoyed them all. I did better with the volunteer end of things.

When Steve said we were going to join the new horseshoe club in Sooke in 2016, I thought he'd really lost it this time!! Never did I think I could enjoy something like that – wow was I wrong – mention throwing shoes and I turn into a big lab panting to go – if only I could throw the shoes as easily as I retrieve them, things would be great!! I am determined to improve.

It's more than just the game of course, it's the people I've had the privilege of meeting, the exercise, and being able to give something to the community. I wish we had discovered this wonderful sport many

years ago. I plan on staying with the horseshoe family and pitching shoes for sometime yet.

Jerry Crowe has had his success knee surgery and visited the pits as heals and walks his walk. What a trooper. Way to go Jerry!

Sat., May 11th GVHPA 'Victoria Open' was a grand day, with the weather cooperating. We saw 67 participants and many of our new members taking in their first tournament and hitting the podium at the end of their day. How wonderful was that! The GVHPA Sponsorship Program is now winding down for the year but in its place our focus will be on the B.C. Championships. Our first major fundraiser has been scheduled for Sat., June 22nd 9:00 am to 3:00 pm in the form of a Garage Sale / Bake Sale / Plant sale (perennials and bedding plants etc.) both

inside the clubhouse and under the Memorial Shelter. Concession will also be open. We will be looking for members to man tables and areas and chat people up throughout the day. A great day to just hang at the club and pitch a few shoes I'd say. As well, many hands make light of work! All in all it is gearing up to be an exciting year!

Presidents Report – TOM MOFFAT

It was good to see 68 pitchers attend the BC International Highwayman Tournament on the long weekend this month. The tournament is always great when we get good numbers and our friends from the south in Washington State joining us. If we can make an effort each year to attend this tournament it makes for good friendships through the horseshoe community.

Plan, ahead for next year. Also with the BC Championships in Victoria this year and Vernon next year it would be great to get large numbers attending.

Horseshoe interest is out there and clubs that are putting a effort to reach out to those are attracting new members.

It was good to see a lot of clubs reaching out to local media about their tournaments. The more this is done the more our image is changed from that backyard and picnic mentality that the public has. Let them know we are a recognized sport and have championships, Hall of Fame, and recorded averages. If we don't tell them they won't know.

Washington State won the inaugural Peace Arch Trophy with a 120.5 to 109.5 margin. It was effort of myself and Jon Turnbull and Don Davis to get this started last year and from talking to everyone on both sides of the border it was enjoyed. Okay let's see if we can get it back next year.

Clubs please send in monthly your membership lists to myself and money to Brian Ryder. With a steady flow of information we can keep track of paid up players as they attend tournaments. Tournament directors please check for cards at your tournaments of out of town players to make sure they are registered. It keeps it safe for all involved.

We as a organization are better together than we are alone by ourselves, so please try and attend your neighboring tournaments. If it has been down in

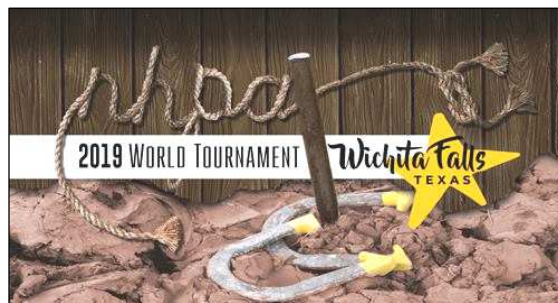

last years heading to a close tournament why not take the initiative and get a group together to attend that tournament near by.

I look forward to seeing results of the upcoming tournaments and here is a big thank you to everyone that is involved in organizing those tournaments. Every effort is appreciated and thanks for stepping up to do what you do.

**55+ BC GAMES WINFIELD HORSESHOE CLUB – JOHN HAMER
PRESIDENT**

We have been advised by the Regional District of Lake Country that there will be no RV parking for the 55 + BC Games. They also do not allow tents anywhere on district property. There will be construction going in the area and is being reconfigured for better access, expansion to the senior's centre & arena, and more parking.

Camping is available at Holiday Park Resort & Wood Lake RV Park & Marina. Both a 5 minute drive to the club. Reservations are required.

Our Horseshoe Pitching club was off to a slow start , but that was OK, as some pitchers had other commitments . The weather was not as comfortable like we all like. The winds from the Island snow capped mountains was very chilling, but this didn't stop the dozen or so pitchers come down to the courts for the beginning of drop in Sunday mornings, which started on April 7th .. Good practice and every session a different opponent. Each player paid

\$2.00 to enter and if lucky, this could double as winners take home pay! This is capitol Gain LOL

May 2nd was the start of Thursday evening League play, only 6 teams this year. The teams are balanced well, so everyone has to put their best effort in!! We miss our past President – Bruce Trotter's passing, also those who have moved away, out of town. Some working members had to drop out due to work schedules, etc, this season. A few have medical problems.

I see where there is painted Horseshoes- this is always a good conversation! Really wonder if this works for ringers??

So in the Rain or Sunshine, the best of luck to all club pitchers for the up-coming Tournament gatherings - and lots of RINGERS. Thanks Gail, Enjoy as I did.

Matt Leung Service Manager donated an emergency backpack, an inflatable air bed, a mini tool kit and a portable air compressor.

COMOX HORSESHOE CLUB – ERIK KELLOW

On May 19 (Empire Days in Cumberland) , 7 members and 1 visiting guest participated in an all day Horseshoe Mania event open to the general public with the hopes of attracting new members. Great fun was had by our members playing a total of 14 games each, however our recruitment of new members failed to produce any interest.

On May 25 , Three members travelled to Powell Rive to compete in their Spring Open tournament. All 3 members had a super time playing there and look forward to returning for another tournament, as the Powell River members make everyone welcome.

The Comox Valley Horseshoe Club Executive has agreed to host the 2019 Islands/Powell River Championship Tournament on August 3rd-4th, 2019 at our Cumberland location.

This tournament is for members whose club is located on Vancouver Island and Powell River. It is a 2 day event with players pitching both days, as many as 70 plus players are expected. Camping spaces are available. Contact any member of club executive.

Our league, top four teams, Rangers, Lucky Monkeys, Samson's Eco Clean & Whiskey Jacks

CENTRAL PARK – DARLENE SALISBURY

The Spring Open was held at the Central Park Horseshoe Club on Sunday May 6th.

It was a beautiful day and we had a great turnout 27 players including 8 from Victoria and Sooke. Thank you for making the early morning trip over to play at our club.

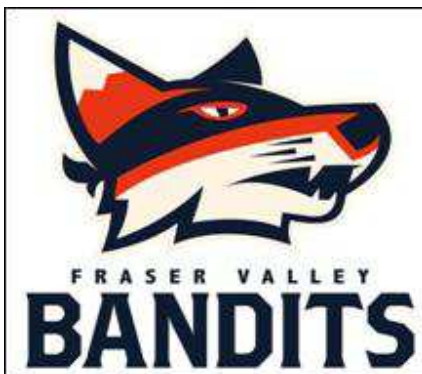

Wendy worked hard selling 50/50 tickets all day and the lucky winner was Dave Rowell from Abbotsford \$75.00

The kitchen was a beehive of activity putting out 25 breakfasts and 40 lunches. The Chili was a big hit and we ran out at the end of the day and had to quickly put some sandwiches together.

Elyse Brunelle had operations on her legs to remove blockages.

CLOVERDALE HORSESHOE CLUB – JIM GRANT

Hello to All. We here at the Cloverdale Horseshoe Club sure hope your year has started off better than ours has.

First we cancelled our Ringers Only Tournament as the Sunday was Easter. Next the Clubs underground water main burst and \$3800 later our facility is open, sure wish we were on park property so the city would pay for it all.

The latest thing was the cancellation of our Cloverdale Memorial Open Tournament scheduled for May 26th. This was due to very low entry registration, maybe it is to close to the 2 day International.

On the brighter side parking has covered the water main repair costs.

Our membership has grown and the Tuesday Evening Social Horseshoes is doing great. We are getting signs of interest in members thinking about tournaments. We hope this is a sign that things are turning around for horseshoes in Cloverdale.

NEWS FROM WASHINGTON STATE – PHYLLQUIST- 2019 NHPA HALL OF FAME INDUCTEE

Phyllis is fondly known to her friends as Phyl. She and her husband, Jim, did not learn about the sport of horseshoe pitching in their earlier years, but when they were finally introduced to it, they were hooked for life. Not only did they enjoy pitching, they loved the people they were getting to know, and they began getting involved in promotion and organization as well as pitching. Phyl got involved with junior promotions and fund raisers to send juniors to the World Tournament and also

to provide scholarships for higher education. She and Jim transported and chaperoned juniors to the WT four times. Phyl has held several positions as a charter officer and a club officer. She has been helping to keep the Pacific Northwest Association going and the Washington charter running smoothly. She has taken on the task of maintaining the Washington State Hall of Fame and Museum trailer. Phyl has been of service to the NHPA in many ways. She served on the rules rewrite committee that created the RGS book. For several years she chaired the annual State Officers meeting that is held during the WT. A few years ago, she accepted an appointment to serve as one of the directors of the NHPF and she attends the meeting they have every spring in Wentzville, MO while the HOF Invitational Tournament is being held. During a World Tournament you will find her working many shifts in the NHPF booth and always greeting people with a friendly smile. Ever since Phyl and Jim started attending the WT, you would see Phyl pitching in and doing any job that was needed at the WT site. All a council member had to do was ask and she was willing to go to work, if she didn't already have another assigned task or wasn't scheduled to be pitching. I know she has assisted shift directors and may have served as one herself when there weren't enough council members available. She does occasionally take a little time off to grab a bite to eat, but much of her time at a WT is spent helping wherever needed, be it day or night, and that includes in a scorekeeper's chair. Congratulations to Phyl on being elected to the HOF Class of 2019 in the Promoter/Organizer category

Thank you to the Joseph Richard Group Public Houses (Townhall Public House, Micky's Public House, Edith + Arthur Public House, The Hemingway Public House, The Henry Public House) gift certificate good for 1 encore and 1 drink per person for 4 people.

SOOKE HORSESHOE CLUB – OLIVIA Hollinger

Horseshoes in Sooke is off to a great start! We have had many members place on the podium for tournaments around the area, congratulations to all of you for your accomplishments.

We have concluded our spring competitive league which runs on Wednesday evenings, and the weather cooperated with us most of the time. A big round of applause to Erick and Phil for taking home first place. Our summer competitive league starts up May 29 and we hope to have some new members join.

We held our first Sooke Community Challenge on May 25, the day was filled with fun, as always at the pitch and the rain stayed away until the last round of games! We had a concession set up, door prizes (donated by the supporting businesses and community members of Sooke), and lots of fun was had by all who registered. It was a great success and a good practice run for our sanctioned Butts/Bligh Memorial tournament set for July 6! We will have a raffle table, 50/50, concession, and of course lots of fun, save the date for this event!!

LADYSMITH HORSESHOE CLUB REPORT – VINCE HERKEL

In April we got the pitches cleaned up of lots of leaves & small branches that accumulated over this past fall & winter.

The Tuesday evening & Friday morning club outings got started in May, hopefully the morning outing will beat the summer time afternoon heat on the concrete which is usually cooking by the evening hours.

We lost a few of our past members over the winter, Marg Norbury & Terry Auld, their name plates will be added to the Murray Rayner Memorial Plaque at our upcoming Bernice Busch & Murray Rayner tournament on the July 1st long weekend.

Our club membership is down from last year, we now have 10 members in good standings with one or two more to come.

The repainting of our club house facility last year had to go through the approval of the Town of Ladysmith Parks & Recreation Dept. We got the go ahead last fall but Kevin Cuthbert was very busy at the time and the cold wet weather set in putting it on hold until yesterday. I received an email from Kevin at about 9:15 am saying he was going to be in Ladysmith between 9:00 & 10:00am, I immediately called his cell # and when he answered I asked where he was and he said he was already at the pitches ready to get started painting. Kevin & I worked from 9:30am to 5:00pm.

Kevin applied two coats of white & green paint, doing a very professional job, looks absolutely fantastic, like a brand new building again. Kevin got the paint donated by Sherwin Williams Paints about \$500.00 worth of paint and Kevin donated his time, painting skills & expertise of which our club is most appreciative. Players attending our July 1st weekend will see first hand how nice it looks, thank you very much Kevin Cuthbert.

2019 BC CHAMPS – VICTORIA

THE CLUB IS HAVING A DINNER SATURDAY NIGHT. ON THE ENTRY FORM PLEASE FIND:

___ NUMBER OF DINNER TICKETS REQUIRED, PRICE ETC TO BE DETERMINED LATER

SALMON ARM – FAITH JUELL

The Salmon Arm Horseshoe Club has started the New Year off with 5 new members and only 1 lost during the previous winter. New members are always welcome to join.

Spring is the time for a lot of tournaments in the Valley, with our members playing in Penticton, Kamloops, and our own Salmon Arm tournament, placing in the winners circle in all. Upcoming tournaments include Vernon and Winfield with more traveling down to compete.

Now is the time to apply for the Sr. Games. For those interested in horseshoes, play will be in Winfield. Applications are being accepted now. Next year Kamloops will host the Canadian Sr. Games. Many are eager to pitch this year, to earn a chance for next year. Those interested in more information are welcome to call Doug Winslow at 250 832 8520 or Faith Juell at 250 832 9873. Practices are Tues. and Thurs. evenings starting 6 30 p.m. at the "pits" near the Curling Club.

Horseshoes is one of the less expensive to be involved in, also one of the oldest, with shoes being pitched since Roman times. You only need a good set of regulation shoes and a club shirt or jacket to play in. While starting at practice you may borrow shoes from the club, to try out the sport.

So come out and join us while you can still throw a shoe.

PENTICTON – BRIAN RYDER

Summer has arrived and the Horseshoe season is in full swing. Penticton held another successful Spring Tournament on May 11th with participants from Summerland, Winfield, Vernon, Kamloops & Salmon Arm attending.

We are proud to say that on the May long weekend Vivian Fendle pitched her way to second place in the Ladies A Division at BC International Highwayman Tournament in Abbotsford.

Preparations are already underway for the 3rd Annual Albert Hellyer Memorial tournament which the Club will host on July 11th.

Even though the Club has signed up a few new members this year, membership continues to be a serious problem

In addition, The City of Penticton has undertaken a study for the possible redevelopment of the property which contains our Horseshoe Pits. The Club has been an active participant in the Cities ongoing process and at this point it appears that when the redevelopment takes place we will retain 10 Pits, however somewhat reconfigured. Here's hoping! Time will tell, so stay tuned

DARLENE SALISBURY - Central Park Stan Dahl Memorial

We had 18 registered players 8 visitors and 8 staff members. It was a beautiful day so most people spent the day outside.

In the Kitchen we prepared Scrambled eggs sausages with fruit, Bagels and cream cheese for Breakfast. For lunch we tried something new, make your own sub with all the trimmings" It was very successful. The 3 girls who helped in the kitchen were amazing, Gail Diane C. and Sonja it all went like clockwork.

Our president Bob Salisbury was absent due to eye surgery. Allan took over his responsibilities and Gaetan assisted him. Sam worked with an ailing computer a struggle but he came out on top as usual. Wendy was a whiz at the 50/50 table.

It was an pleasure to meet Ken Dahl and his wife Leanne. Ken is a grandson of Stan Dahl who we were honoring today. Ken is a member of the Abbotsford Club. Stan Dahl won the men's provincial champs 15 times.

We were so happy to see Budd and Jim Ball. Jim has been going through a long wait for surgery so we were glad they came for lunch. He has a new date now June 11th. Thanks to all who attended. .

SUMMERLAND – JUANITA LAYE

Well Spring has sprung and summer is on its way. Tournaments are coming one after the other and the excitement from all the pitchers who attend these tournaments.

Well Summerland's Annual Tournament is coming up on us faster than we think. JULY 27. We just had a meeting last night about our upcoming Tournament and getting the meal plan and volunteers in order. We will have another meeting closer to our Tournament date.

We were going to have a grade 3 class come to our pits and learn the fun of pitching like we did last year, but it is getting late in the school season and some of our members would not be here for the class instruction.

We are hoping that we will not have too much or no smoke from forest fires this year. So far nothing, everyone who came to our last year's tournament were troopers coming through the smoke and thankfully the fires were extinguished.

Well we hope to have a great turnout this season and hopefully not TOO hot. Have a great pitching season all. See you at various tournaments or The BC's in Victoria

KAMLOOPS HORSESHOE CLUB – JENNA JOHN

The Kamloops Horseshoe Tournament attendance was kind of low; others were busy with other things in their lives which is understandable. For those that were there fun was had by all. There were plenty of prizes.

Because of a picture that was in the front page of Kamloops News, we have some interests in joining. Hooray!

We are now busy planning for the Interior Kootenay North Championships. Thanks
