PRESIDENTIAL AWARD

I most certainly am happy receiving the award, much unexpected. Thank you ciao Amy Kidd

LORRAINE HUBICK POWELL RIVER

As a recipient of the 2021 BC Presidential Award, along with 3 others- Jim Grant, Amy Kidd, Alice Boschman (Congrats to you)

As I was reading along in the BC Newsletter of Sept 8, 2021 horseshoes, I came along to the page where it sat me back into my chair-- What? I haven't thrown a shoe for nearly 2 years now, because of Covid-19. I am totally speechless.

This is a heartfelt honour, to have worked with so many dedicated horseshoe members and pitchers, over the last 19 years.

Working with the BC Executive (also the Powell River executive) all of which I really miss because of Covid. Maybe someday in the immediate future we will connect again.

To so many tournaments across many provinces and into UTAH, USA (worlds) I have great memories that will never be forgotten.

To all, thanks so Very Much for the special Award. Take good care, be safe, and sure hope to see everyone in 2022

VICTORIA HORSESHOE CLUB – JUNE LAZENBY – SECRETARY

Victoria Horseshoe Club has had a busy summer with three tournaments since July. Pictures and results have been posted on the Facebook page. Many of our folks have participated in and enjoyed the online tournaments available this year.

However, due to the current restrictions we have decided to cancel our year-end banquet in September.

As we head into winter mode, the weekly crib night is planned along with some outdoor maintenance on our upper pits. We are also exploring some educational horseshoe opportunities such as a clinic in Judging and Horseshoe Etiquette. Our fall league begins on October 3 and will run for 8 weeks.

At this time, Saanich Municipality is allowing access to our facility without vaccination cards as long as there are no more than 50 people present. If restrictions at the time allow, it is our intention to hold our AGM on November 28, 2021. While we would love to have 50 people attend, we will have a backup plan in case that happens.

Cornhole has been a happy addition to our facility playing a drop-in format once a week. It has brought us about 30 new associate members and there is some interest in becoming horseshoe players. The cornhole season is scheduled to wrap up at the end of September but we will look forward to more events next year.

TONY RONDOW – VICE PRESIDENT

I'd like to thank and acknowledge many people after the 2021 BC Championships, first to the city of Abbotsford and the Abbotsford club members and volunteers, awesome job. With everything we have all been through it was a well run event, food was great, raffle table was top notch and drinks were cold.

To the hall of fame inductees and presidents awards, well deserved all of you. A special thanks to Tom Moffat for his years of service as President and welcoming Bob McCauley to the fold, thanks Bob for stepping up. Thank you Brian for letting your name stand for another couple years, been great getting to know you better over the years.

Finally to all the players, it was great to see everyone again, and to hear the sound of all your shoes hitting the peg, even though mine didn't seem to want to hit the peg anymore. Was a great time, thank you again to everyone, look forward to seeing everyone in 2022.

COMOX VALLEY HORSESHOE CLUB - Rick Kellow

The end of the horseshoe pitching is not only nigh, it's gone and done.

On September 12th we had our year end windup, AGM and BBQ come hotdog potluck. (I could go for seconds, which I did).

This was our first Society Act meeting AGM since the beginning of the Covid19 era. (We were given a one time extension)

The meeting was called to order at 2:15 pm with a minute of silence in remembrance of our departed members, Bob and Ron Reed, Father and son both passing away with medical complications.

There were 17 members and six guests present. This figure swelled to about 35 by the end of the festivities.

Once the Minutes of the last meeting, the financial report, and other business was taken care of with items noted for future attention of the executive. There was a report that a discussion with the Municipality was held regarding rental costs and there would be no charge at present. A motion was moved and seconded to: "hold an open house at the Cumberland pitches at the CUMBERLAND MAY DAY celebration (May 24 Holiday) 2022 with any and all proceeds to go to YANA. (This is a local charity organization supporting families in need.)"

The following covers the Banquet presentations.

FAMILY AFFAIR – THE SIGANAKIS FAMILY – ABBOTSFORD HORSESHOE CLUB

They say we are a family sport, we are fortunate to have the Siganakis family in our great sport, Husband Antonios; mother, Tammy, son Nikitas, and daughter Nia.

Recently I sent a message to Tammy, the mother asking her if she would like to do an article for the newsletter. Here is what I received

My son Nikitas (age 15) joined an Abbotsford Youth Night (through the Abbotsford Youth Commission) where one of the get togethers was to play horseshoes. I (Tammy) reminisced with my kids that I played for fun with my dad when I was younger.

My enthusiasm spread to my son and to my daughter as well (Nia, age 12) who both said they wanted to join. My husband said he was interested too, so we all did. My kids are involved in Scouts and Girl Guides and Nia enjoys playing basketball while Nikitas is an artist.

We have never done a family sport together before so we are really enjoying playing horseshoes together. The picture is us at the BC provincials.

Horseshoe club president inducted to hall of fame - Mark Brett – Penticton Herald Newspaper

Viviann Fendle of Penticton pitches a horseshoe at the Penticton Horseshoe Club pits this week under the watchful eye of fellow club member Brian Ryder. Fendle was inducted into the BC Horseshoe Association hall of fame.

A Penticton woman has pitched her way into the B.C. Horseshoe Association’s hall of fame.

Viviann Fendle began playing horseshoes as a teenager in a small Ontario community because, well, there really wasn’t much else to do.

Both her parents were very much into the sport and so when she turned 16, Fendle began to compete and soon fell in love and has been “pitching shoes” ever since.

This year, the modest 58 year-old, who is currently the Penticton Horseshoe Club’s president, was one of just two people inducted to the hall of fame.

“No I guess there just really wasn’t a lot to do,” said Fendle with a laugh about her time growing up in the Hearst, a rural town in Northern Ontario.

“But it was something we did as a family, my sisters and I would go to tournaments with my parents and my father started the Hearst Horseshoe Club. The season didn’t last too long; sometimes we would have big snowstorms and our first tournament in the spring we would have to have in the arena.

“I love to play and the best part is the people you meet and the friends you make, it’s like a horseshoe family because you see the same people.”

She added it was both a surprise and an honour to be inducted in the hall of fame, which has only 30 or so members.

Fellow Penticton club member Brian Ryder, who is also member of the hall of fame selection committee, felt Fendle more than met the criteria for induction.

“When we’re looking for people for the hall of fame, it’s not only about stats; it’s about how they interact with other people. Stats are one thing, but it’s also about the type of person you are,” said Ryder, 80, who is currently the vice-president of the Penticton club.

“We look at how committed they are to the sport, how well they play the sport and what type of ambassador they are for the sport and Viviann has met all of those criteria and more with flying colours.

“She’s a super person.”

Longtime B.C. association executive member and hall of fame inductee Sam Tomasevic agreed Fendle was a solid choice for induction.

“Viviann has a very friendly approach to horseshoes,” said Tomasevic. “She feels comfortable around horseshoe people and her record speaks for itself, she is very competitive, never gives up in any game.”

An ‘A’ league player, the Penticton pitcher has a 55 per cent average in competitive play, meaning she hits a ringer in more than half her shots.

Her record includes eight, top three finishes in the B.C. championships and four top threes in the B.C. International championships.

Fendle and her mother Rose Blanchard are the only mother/ daughter combination to have won individual B.C. International titles, hers was in 2015 and her mother’s was in 1988.

The Penticton club has 10 horseshoe pits on the South Main Street Robinson property. It was founded in 1978.

HEIDI HARAGA ABBOTSFORD – BC CHAMPIONSHIPS 2021 LADIES CHAMPION

Thanks for reaching out to us

My husband Vic and I have been playing with the Abbotsford horseshoe club for almost 2 years now, we joined after seeing members playing at the club while walking our dogs Charlie and Ellie and inquired.

We only played recreationally while camping. I have played in 2 local tournaments this year, horseshoes has given us a great social life and we have made many good friends. I have been retired for 7 years.

Between us we have 6 children and 16 grandchildren LOVE THE GAME Cheers Heidi

SALMON ARM HORSESHOE CLUB – BEN GARTNER

First of all I would like to say hello, it has been quite some time since we have connected. 2020 has been a year that no one could have imagined, the physical, mental and emotional stresses

that has impacted our lifestyle, despite the difficulties I am encouraged and confident with what the future has in store for our Club.

Since being elected President, I had big shoes to fill when Neil Laroque moved to Victoria. Our Club has been years in the making, but even through months of scorching hot weather, fires and smoke our membership grew and we persevered, coming out to practice week after week.

All players volunteered their time and services, whether maintaining the grounds or bringing goodies for our social gatherings after the games. I cannot praise them enough for their dedication.

We are always looking and recruiting new members, however, we're a little disappointed not being able to have or attend Tournaments this year, looking forward to next season, our Club spirits are high, knowing better times are around the

corner. We will be having our Annual Meeting and in house tourney on October 2, 2021. Wishing you all the best, yours truly Ben

Our hope for next year is we will go from 4 peewee/juniors to 10. I'm hoping we can start our year out with 50 confirmed players.

We had many new players this year and most of them made the podium in tournaments that were held this year. So we are looking to see and improvement in them next year.

Our members were outstanding in volunteering to help in our tournaments and improvement of our club facilities.. Our ladies in the clubhouse exceeded all expectations.

I would be negligent if I did not congratulate Archie Radowits our Tournament Director for running our tournaments and doing an incredible job. Archie is retiring from the position. I know he will be around to help us out if we run into problems. Hopefully Archie can get back to pitching shoes and having fun. Again thanks for all you have done for the club Archie.

The BC Horseshoe Championship was a total success. We would like to thank all the participants from across the province.

I want to thank all the volunteers and all our members who got prizes for our tournament. All of you made the tournament successful. We would like to thank BCHA for their support including Sam Tomasevic, Tom Moffat and Brian Ryder.

We have in our club four new BC Champions

Woman's Class A	Champ	Heidi Haraga	50.43%
Elders Class C	Champ	Sidney Dehaan	45.45%
Elders Class E	Champ	Doug Williams	22.12%
Elders Class G	Champ	Wayne Simpson	12.30 %

JUNIOR CLASS A WINNERS

First	Parker Rowell	18.63%
Second	Nikitas Siganakis	10.04%
Third	Nia Saganakis	5.04%
Fourth	Riley Skidmore	4.08%

In all the classes there was also second and third finishes and we had 10 of our players finish in second or third place.

Second Place	Elders Class B	Jim Williams	51.06%
Third Place	Elders Class B	Hart Drexler	37.63%

Third Place Elders G	Don McSwain	9.63%
Second Place Women Class C	Tammy Siganakis	9.90%

Next year; we will be having our Highwayman International Championships on the May long weekend May 21-22, 2022. Make plans to attend, we will have RV and tenting spots available. Let's make this the biggest two day tournament ever.

FIRST TIME PLAYING IN THE LADIES CHAMPIONSHIP CLASS – NICOLE DABNEY – DR CREEK (PORT ALBERNI)

Yeah it was a lot of fun in the women's A for the BC Champs. I went into it with open arms and tried the best I could. My one goal was to either win against Viviann once or at least give her a good game as I've always looked up to her, Juanita, and Elyse ever since I was a junior.

The first day I struggled a bit as I had a lot going on with dad (had a heart attack the day before the tournament) and pressure to do well, but the second day I was in a better headspace and I was able to come back and place 3rd.

The ladies were amazing and I had a lot of fun playing with them. Oh and I did win against Viviann on the last game of the tournament. It was 39-37 and I ended up winning with a 2 dead 3. It was almost a 4 dead but her last cover was just a hair short. They did a \$100 bill check. I look forward to Vernon next year!

December 4th Christmas Dinner.

That is our 2021 year as it was. We hope you all have a mild winter with nothing but good times with your friends and families. See you next year..

VERNON HORSESHOE CLUB – DWIGHT COUSINS – PRESIDENT

Hello to Everyone from the Vernon Horseshoe Club. I thought we'd update you on what's going on in our part of the world.

First of all we're hoping that you are all doing well and staying healthy. Our members have certainly done what they need to do in order to get through this pandemic and, fortunately, it seems to have worked since we have had none of our members infected.

As you are probably aware, we have been plagued by fire and excessive smoke since the early spring. Throughout the summer, with the high temperatures (at times +40F) and lack of rain (went more than 40 days without any rain) it seemed like the world was burning up around us. Several times, when the fires were burning along the western edge of Okanagan Lake and the wind was blowing heavily from the West, the City of Vernon and the immediate area was put on Evacuation Alert. Several of our members that live at the North end of the Lake were actually forced to evacuate for several days. Soot and ash was actually landing at our house which is more than 10 miles away from the fire area. Some live embers were landing on the Vernon side of the lake but were quickly doused by citizens or roaming fire trucks that were assigned to that duty.

After what happened to the town of Lytton, everyone was on heightened alert and most people, myself included, had their vehicles packed and loaded for a rapid departure. Nobody knew where we'd go since there were fires in pretty much every direction.

A large Fire Camp to house the firefighters was established only a couple of blocks away from our club. It is currently being dismantled since, with the firefighters help and the eventual assistance of the weatherman, the surrounding fires although not extinguished are under control.

Needless to say, not a lot of horseshoes were thrown for several months although we were able to have an outdoor "Social" in the Spring. Everyone brought their own food and drink and we had a good get together with 24 people in attendance. In spite of all the negative stuff, we did manage to garner 4 new members this year. Last year we welcomed 2 new additions. Most of them were "walk-ins" while others became interested through other members. We certainly welcome the new faces/ competition and enjoy seeing our ranks swelling. Our membership now totals 30. Conditions permitting, we will put a membership drive on next year. There didn't seem to be much point in doing it this year but things worked out great anyway. In general, our members fared quite well this season but two members were put out of commission by falling. Anne Moore, one of our honorary members, fell and broke her hip in the spring. I understand that she is recovering quite well and we hope to see her out before the season ends. Corrie VanDyke took a header while riding a bicycle. His injuries were quite serious since he suffered a broken hip as well as a shattered elbow. We understand that he is on the road to recovery but it appears that he will have a rather long and arduous trip. Hope to see Corrie and wife Coleen back with us soon.

As usual, with the coming of fall, we will be having our AGM. It will be held on Thursday September 23 at 1:00 at the Clubhouse. The weather is forecasted to be nice and the meeting will be held outside. I'm looking forward to seeing some of the faces we haven't seen since spring. Will be interesting to see what the new Executive looks like although I don't expect any major changes. That's all our news for now...will let you know how things work out after the election. Take Care and Stay Safe...

SOOKE HORSESHOE CLUB – CHANTAL WILSON – PRESIDENT

Sooke has had a very productive year.

We acquired a new shelter and our C can with a lovely mural painted on it. Both the shelter and painting donated by our members and the hard work of all our members have made our club a great foundation to move forward. We bought our C can so it now belongs to us. As we move forward the next few years will be a bit challenging as we try to raise funds for our bigger items that are needed. Such as water hook up; power and clubhouse. We had our AGM Sept 18th with 2 directors, treasurer and president positions being voted on.

New executive

President....Chantal Wilson

Vice President....Steve Bishop

Treasurer.....Gail Bishop

Secretary.....Ingrid Wickheim

Directors: .Barry DeVocht, Joy DeVocht, Elaine McMath and Marlene Hargreaves.

AGM was a lot of fun and a time for socializing as we hold all our meeting outdoors. Spring League winners were Joy DeVocht and Marlene Hargreaves Summer League winners Barry DeVocht and Elaine McMath

We will still have our drop ins on Tuesday and Saturday mornings until the weather starts to get bad. But that doesn't always stop us ...we have a few diehards that play when it sprinkles LOL As we do not have covers or a clubhouse we don't do too much during the winter season.

This year we will be trying to focus on getting some advertising signs and hopefully businesses will do it on an annual basis

During the year I had several schools come for a visit that i may have some of the schools who like to add it to their PE program. We will continue to promote the game of horseshoes to our community

We have been attracting a lot of interest in Sooke especially after acquiring our new shirts. This seems to be attracting new members as our happy bright shirts make everyone SMILE!!!!

I want to THANK everyone in the BCHA for everything they do to help all the clubs and help keep us all connected. BIG THANKS TO TOM MOFFAT for all the online tournaments....kept us all sane and still involved with the sport that we all love.

Also a HUGE THANKS to my Sooke members for everything that you do for our club without hesitation everyone is always there to help in whatever way we need!!!! What make our little club so great are all the laughs and fun we have promoting the game of horseshoes.

LAST SHOE

Sadly, my Dad Rolan Loiselle passed away on Sept 4th from cancer. It would be nice to advise his horseshoe friends Thanks Vance Loiselle. Rolan was a member for a number of years with the LADYSMITH club.

FROM VINCE HERKEL – PRESIDENT LADYSMITH HORSESHOE CLUB

Hi All, yesterday Sam let me know that he got an email (listed below) from Vance Loiselle, informing him that Rolan passed away on Sept. 4th, due to cancer. Rolan started throwing horseshoes late in life, enjoyed it immensely and became a very good horseshoe pitcher. I think his best winning tournament was the Victoria doubles with his partner Shelley from the Sooke Club and after every game they won Shelley gave Rolan a big hug and Rolan had the biggest smile on his face, I think getting those hugs after each game is what kept him going throughout the tournament. As the senior member of our Ladysmith Horseshoe Club, Rolan always looked forward to playing against our youngest member Lindsay Hodgins; they had some very good fun games with lots of friendly bantering going on back & forth. We have missed Rolan's presence at our club outings for the past two or more years and his name will be added to the Murray Rayner Memorial Plaque.

FROM TOM MOFFAT – Victoria, - Sorry to hear about Rolans passing. He was a fun and very likeable player. He was a true gentleman. We will really miss him. May God give his family peace at this time and help them remember him forever.

JERRY MELISSA – VICTORIA. So sad to hear of Roland Loiselle's passing. He was a terrific athlete and a much better welder. I first met him in the late 70s when I asked him to repair a broken imperial horseshoe. I remember it fondly because he offered to increase the width of the opening. I explained to him there were 'size ' regulations. And 40 years later I met him again at a Horseshoe tournament in Powell River. He was no longer able to play golf because of health issues and instead joined Horseshoes. And like his golf he quickly became an elite Shoe player. Not bad for a man in his 80s. I am glad many BCHA members got to know him.

WINFIELD HORSESHOE CLUB – JOHN HAMLER PRESIDENT

The construction work in the area around the club is wrapping up. The Gazebo got a new roof, picnic tables and a paint job. It looks great. I have done some repairs to the exterior of the clubhouse and will try to get some painting done before winter.

Glen Robinson passed away on Sept 4 aged 92. Glen was a member in Winfield for many years. He was prolific photographer. He was the official one for the opening of the Original Okanagan Lake Floating Bridge and the Coquihalla Highway. His son told me he would rent a plane to go take pictures. When Blair was old enough Glen taught him how to fly the plane once it was airborne so Glen could take pictures.

He would take a door off the plane and hang out to get the best shots. His picture will get added to the Wall of Honour in the clubhouse.

I am working with Interior Health to see when we can get our weekly Cribbage Tournaments going again. As of now all such activities are on hold. There is no way to maintain the 2 meter social distancing at a card table. Hopefully with more vaccinations happening and things will settle down.

I am in contact with the Regional District to see if we can get some help in fixing up our court boxes but it is like pulling teeth. I was told once the construction is done they will be willing to talk.

Roger Helgeson is holding his own. We have arranged for some assistance with his daily needs.

I have been on vacation since Sept 5 and go back to work on Oct 4. We spent 4 days in a cabin on Kootenay Lake; just go home from 3 days of camping near Kelowna on the lake, and are heading to Oliver for 4 nights on Tuc-el-Nuit Lake. I have included a picture of Glen and the Gazebo.
