FROM THE NEWSLETTER EDITORS DESK

Well another horseshoe season has come to an end, the season has been a hard one in the north and the interior with all the fires, yet the north maintained its level of 8 per tournament. The interior for the most part averaged 30-35 per tournament, which was great.

The Lower Mainland was way down in attendance, the reasons, I have no clue. Hopefully this will improve in 2018 and we can have 25-30 entries per tournament. The island was down slightly in attendance as well.

Thank you very much to the advertisers and those companies who placed an ad and or donated a gift towards our raffle. We did very well on the raffles at the BC International/Highwayman Open and the BC Champs. Advertising \$950.00. Raffle Table International \$220.00 Raffle Table BC Champs \$320.00. My wish is that those companies who donated towards our cause will do the same in 2018, time will tell.

The proposed tournament schedule for 2018 was included in the AGM agenda; hopefully all clubs will send in confirmation dates or changes as soon as possible so that we can post it on the website and send same out to the membership.

I honestly believe that we have one of the best newsletters in North America, yes, it's a lot of work, but I enjoy doing it.

Our website is a great source for information. My mentor Steve Summerland has stepped down, from the NHPA as the webmaster, due to health issues. Steve will still be around helping us and many others out.

This issue wraps up the remaining championships in various parts of the province, the 55+ games, the minutes from the AGM, plus a few tidbits from what some of our clubs are doing during the winter months to keep the membership together.

Work on the grounds, lots. We have five new people coming out to practice all say they want to join for next year as we are wrapping up soon for this year.

Had our meeting with the city for the club grounds and there participation for next years Provincials. We will have there full support and will start working on the grounds later this fall including painting the clubhouse.

Kamloops members did not attend to many tournaments this summer as fires, heat and smoke kept us close to home. Not much else to report. See everyone next spring.

### WINFIELD HORSESHOE CLUB – BERNIE LEPPER

The Winfield Horseshoe Club summer horseshoe league is winding down for another successful year of great league play by about a dozen pitchers twice a week from May to September. The pitchers play as many 50 shoe games as they wish on any given day and play against who ever they wish to play. All scores are recorded and all the data is calculated to obtain the winners at the end of season. Awards are given for the High Average, most

games Won, most games played and most Improved. The awards will be presented to the winners at a wind up party at The Canadian Brewhouse Bar and Grill in Kelowna for a prime rib dinner which I won a voucher for at the

B.C. Championships in Cloverdale.

The Winfield Horseshoe Club AGM is on the 30th of Sept. we usually have a committee to organize a Xmas party at our clubhouse in November, well before the mad rush before Christmas (entertainment by the house band Andy Danyleyko & the Dandylions). Last year one of our club members organized the Xmas party where everyone had a name tag on the table with their favorite cartoon character and did not know until the party who they would sit next to, everyone had a great time celebrating, unfortunately that member moved to Alberta this year.

Although the Winfield Horseshoe Club have 42 paid up members only about 12 pitch horseshoes at the present time, although many of our members did pitch in years gone by.

These former pitchers participate in cribbage every Saturday through the summer and in the fall and winter a crib league is organized and awards are given to the lady and man that obtain the most points by the end of the season in the spring and of course a fund for the person who obtains a 28 or 29 hand which grows larger every week if it is not won.

By the end of the winter we all are looking forward to an early spring.

PRESIDENTS REPORT - TOM MOFFAT

As I write this all the tournaments are over, and from my point of view it was a good year. Yes numbers were down in a few tournaments and with wild fires some tournaments were cancelled. But the ones that did go on, people had a good time playing, meeting up with friends and making new ones. A thank you to all the volunteers that worked during the season and your great effort did not go un-noticed. Thank you for your contribution to this great sport.

During the off tournament season, some clubs have drop in or fall and spring leagues and people can still play. Unfortunately some cant due to weather. And some get to travel down south to keep the shoes flying. This is the time for clubs to start thinking about next year. What tournaments or leagues will look like and how to attract new members. This needs to always be our priority looking for new members. With a constant looking and trying things to attract them, we will have success. Keep up the good work.

I have attached a link to watch a good song on youtube called "Another Ringer" it's a old video but still gets your toes tapping. Enjoy. <https://www.youtube.com/watch?v=XfO634ewMSQ>  
Below are the words. Enjoy the winter

While im standing on the platform  
With my favorite pitching shoes  
Just like all you others , I didn't come hear to lose

**Chorus**

**So I could use another Ringer**

**Echo**

**I want another ringer**

**Echo**

**I need another ringer, to keep this game alive**

When Im pitching with my buddies

I cant help but smirk

A bad day on the courts beats a good at work

**Chorus**

We play this game for pleasure

No ones out for blood

But if I top that double , ill get back the mud

**Chorus**

The score is 39 to nothing

But im not giving in

Just a good long string of doubles, is all I need to win

**Chorus**

You practice hard so you can move up

To class B or even A

So we know when you get there , we will still hear you say

**Chorus**

Now you maybe a a rookie

Or in the Hall of fame

Or somewhere in between, but the feeling is just the same

**Chorus**

So heres to all the pitchers

Whose pitching wont be done

Till we pitched this game of horseshoes to our daughters and our sons

**So get another Ringer**

**Echo**

**I want another ringer**

**Echo**

**We need another ringer, to keep this game alive**

One more time

So I could use another Ringer

Echo

I want another ringer

Echo I need another ringer, to keep this game alive

**BC 55+ GAMES REPORT by Cheryl de Graaf**

These games were the 30<sup>th</sup> Anniversary of the BC 55+ Games (Formerly the BC Senior Games). The games started in 1988 in Vernon BC and have returned 30 years later to complete the circle.

There were 35 participants comprised of 23 Elder Men and 12 Ladies. I believe this was the first time in the games were there were no 40 footers.

The following is the breakdown of the Participants by zones:

Zone 2	3
Zone 3	1
Zone 5	10
Zone 6	2
Zone 8	16
Zone 9	1
Zone 10	2

## **BC 55+ GAMES (AGM) REPORT** **NEW BOARD AFTER ELECTIONS**

PRESIDENT: Cindy Simpson  
VICE PRESIDENT: Bob Hesketch  
SECRETARY/TREASURER: Gordon Oates  
MARKETING CHAIR: Chris Harris  
COMMUNIATIONS CHAIR: Vacant

2018 BC 55+ games in Kimberley/Cranbrook area / 2018 Canadian Games Saint John New Brunswick.  
Voting to keep the AGM voting delegates to 6 per zone.

Cheryl de Graaf brought up the following:  
Using games email address for zone boards instead of personal emails due to the hacking of several zones emails and identity thief of some of the zone board members

Changing the following from: 40 footers from 55-64 compete, To: 40 footers from 55 and up. This is so 40 footers do not have to move to 30 feet at the age of 65 which will allow more players that are over 65 and continue to pitch at 40 feet.

Allow horseshoes to play singles and men's and ladies doubles over three days. The reason for this is in so many sports like pickleball, track & field etc. participants can win more than one medal. People come a long way only to compete for one medal as it stands now. The new way they can compete as single on the first 2 days and doubles on the third day. We will find out the results of these changes and if they go thru after the November Board meeting.

### **POWELL RIVER – LORRAINE HUBICK**

The Powell River HS club has come to an end with the Island/Powell River Tournament on August 26/27, 2017. We all had such a good time, with our competition of 27 pitchers from the Island. Everyone ended the day with an out-door pot-luck dinner, rewards, and rushing to meet the ferry home!

Four of us headed down to Cloverdale for the BC Championship, for I think was the hottest weekend this year.

Frank Hubick ranked first in his level, winning all games pitched. Lionel and Sandra Hanson managed 2nd in their class and Lorraine Hubick learned a deep lesson, never pitch in the heat without consuming hydration endurance. Just glad I participated.

Our club still has an executive meeting at the Hubick's on Oct. 12th with the General meeting at the complex on Oct. 19th, full information on the upcoming Banquet and Awards night on Nov. 18th at the Shingle Mill. Then most horseshoes will be hung up until next March, 2018. Some of the club members carry on during the winter throwing their darts, gathering at the Local Legion.

Until we all meet again in 2018, do have a wonderful winter thinking of how to change the way they throw those famous shoes. Merry Christmas everyone.

### SALMON ARM – AMY KIDD

Our club house is unusable in the winter. Our members do other activities, such as bowling, curling, darts, crib and other card games. On Sept 28 we had our wind-up party.

Our members have had a successful year of pitching. We have welcomed a couple of new members, and have prospects for more next year.

We would like to thank all the clubs for their hospitality when hosting their tournaments. The tournaments were exceptionally good this year.

We are looking forward to next year - hope everybody has a healthy, happy winter. Ciao

### VERNON – DON MYRFIELD

Our Club keeps, practicing until the snow flies and as long as someone wants to come and pitch. We are having our wind up fall meeting this week and elections. We have a Christmas dinner early December for any member that can attend and their spouses. Usually a turkey dinner with all the trimmings and a small gift for everyone who attends.

That winds us up for the year until the spring.
