ONE'S PERSPECTIVE ON HORSESHOE PITCHING – LOUISE HAMEL – VICTORIA

From where I stand on the Court: Since my introduction to the Sport of Horseshoe Pitching my 'Spirit of Self' has transcended ten-fold in many areas of my life, especially in areas that REALLY count. People travel 'near and far' on their Journey in Life developing friendships along their way; but I bet it's nothing compared to those I've met in the 'horseshoe family'. Thank You, Ole Wise One, for directing me into this Sport!

I've learned that pitching horseshoes isn't only a Sport; it's Medicine for the Soul. And why wouldn't it be! It's only been around for a few thousand years. Not all sports can say that! In all of its magnificence, the one downfall, I've picked up on, is its lack of respect in the sports arena. And why is that anyway?

Even though one of our recently deceased GVHPA members, Tom Hawkins, has been inducted into the Greater Victoria Sports Hall of Fame (under Horseshoes) still there is no Side Banner in their Sport Listings. And how many years did I say horseshoe pitching has been around? Yes, you heard me right; over 2,000 years. Weird isn't it! Don't believe me, check out their site: [www.gvshof.ca](http://www.gvshof.ca) I believe it's time we all pull together and tout our

Sport for what ALL it is and CAN BE for all age groups in society at large. We need to change the preconceived picture of horseshoe pitching ~ ask anyone if they have ever pitched horseshoes and many will tell you "when I was a youngster..." "at

our family picnic..." "on the farm in the old days..." or "never was horseshoes a consideration..." and so forth. "Why" you ask them; and their answer may be ... "that's an old man's sport..." Oh how wrong they are! That tells me that Society at Large has been grossly deceived and misled as the Sport of Horseshoes is a going concern. Locally, Provincially, Internationally ... It fits into the category of any other outdoor sport with many health and economic benefits at well.

A low-cardio workout and medicine for the soul it is. It is probably one of the most economically sound sports to get involved in actually. Clubs offer new members free shoes for pitching and the rest is history... Win or Lose a game of horseshoes, it really doesn't matter for the novice. You are building and creating your Average and Ringer percentage. A handicapped game, wherein you play, amongst those similar to yourself levelling the playing field.

And who says there is no glamour in the Sport of Horseshoe Pitching? I have seen so many different coloured horseshoes over the last seven years I've been playing; you'd think Tremclad or Glidden would want to take out shares in our sport; not to mention proud club jerseys and other attire.

The diversification in pitching styles is phenomenal and so much fun to watch. There is the Flipper style, Turn style; ¼ Turn, 1 1/4 turn, 1 ¾ turn, Underhanded style and so forth \*\*\* The Sport of Horseshoe Pitching can be played in an established Horseshoe Club, in your backyard, special sporting events with portable pits and even on the beach; few organized sports can say that!

The Love and Romance of Pitching Horseshoes: (sounds a little precarious but true) "When you love your shoes, your shoes do love you back" It's a romance a player holds inside themselves and close to their

heart and spirit. It's evident on the pits if you watch closely. You feel it, you see it, and some even say they smell it. It's in the air! Pitchers are always expressing their infatuation of the game; some worship it; as like other Sports.

A versatile sport for all ages: (School Programs, Youth Programs, Mixed Adult Programs) – some are drop-in programs, some are organized league programs, some are tournament oriented locally, provincially, Canada wide, not to mention internationally as at the World's Horseshoe Tournament.

The Forensics of Horseshoe Pitching (Tournament Play): Well, win or lose in a game of horseshoes and it really doesn't matter. It's a game you wear like a T-shirt, pair of shorts, or glamorous dress wear; whatever your fancy. It's always fun and with warm-hearted souls like most horseshoe players are, a game that will take you within yourself and you can be just 'YOU' with no strings attached. During competitive tournament games you'll hear such lingo as 2 Dead No Score / 2 Dead 1 / and for those more advanced players you'll hear 4 Dead.... When a judge is needed, call in the Coroner (Judge) to find out whose shoe is closest to the pin. Yup... even Horseshoes has its forensics.... If someone had told me ten years

ago that I'd be Pitching Horseshoes, I would have asked them what planet they were from... in all seriousness, I would have.

But, here I am totally immersed in its charm for what it is, and you can be as well, if you're not already pitching horseshoes. Come join in the fun at any of your local Horseshoe Pitching facilities across this country of ours.

The highlight for the year was the International/Highwayman which was a great tournament and everyone had good time. About 45 went to the Pub for dinner and that also was a lot of fun.

Next year will be the 30th year that the Highwayman Pub has sponsored this event and is what makes it so popular. We are looking forward to hosting the Highwayman again next year.

With the help of Cindy Rowell we have an updated set of bylaws and constitution as well as registering with the Societies Act. It was a huge job. Thanks Cindy

The City just renewed our lease for another 5 years. They also helped convert more of our 40 ft pits to 30ft to make room for more pitchers that throw 30ft

## PLAYER PROFILE - GVHPA Member - Dennis Guevin

Dennis was introduced to Horseshoes in 2014 by Bernie Montpetit, a family friend. Since then Dennis, an avid member of the GVHPA has sponsored our Club and Summer League Team under the DFH Realty Banner ever since. Many thanks, Dennis! Bravo!

We saw Dennis participate in tournaments during the 2014 and 2015 years; but since his Real Estate 'dance card' has been chocked full leaving very little time to embrace current sanctioned tournaments; but you'll see him regularly on the pits at Wednesday Morning Drop-in and during Tuesday and Thursday evenings Summer League Play.

Dennis was born in Wainwright, Alberta. His family moved to Kamloops during his junior high school years. During those days Dennis soon learned that he excelled at football becoming a Team Leader for the Norkam Saints. The following years saw Dennis being recruited by many college football teams and then chose to settle with the Simon Fraser University Clansmen.

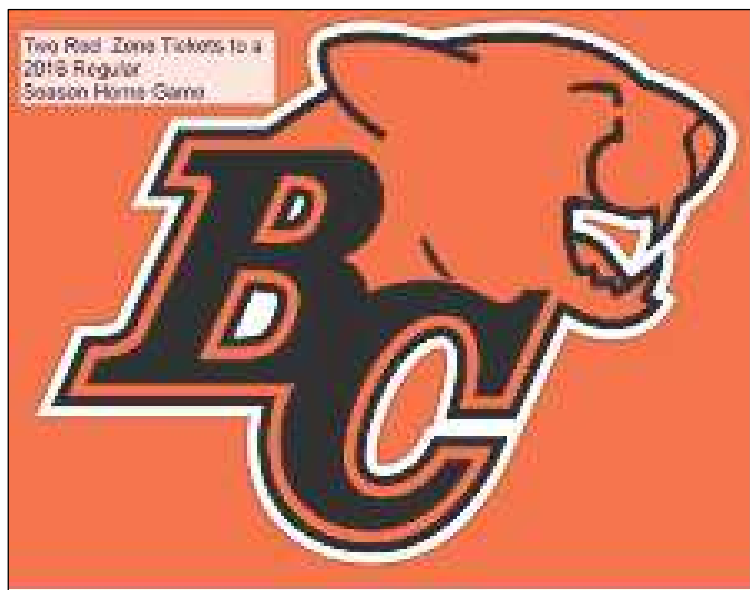

In 1982 Dennis was a territorial prospect of the BC Lions and played for the Lions from 1982–1987; engaging in two Grey Cup games earning a 37-24 win vs the Ticats in 1985. The 1985 team has since been inducted into the B.C. Sports Hall of Fame and the B.C. Lions 'Wall of Fame'.

Ask Dennis to see his Grey Cup ring. It's mighty impressive indeed.

Dennis has a calm way of handling pressure situations, sporting a great sense of humor where a few 'choice words' get everyone laughing. Years of football have taught him to always take a strategic approach and find competitive advantages. So remember that if ever on the courts with Dennis. It's GAME ON with Dennis!

Dennis and Ally his wife have been real estate professionals with DFH Real Estate Ltd. in Victoria since 2005. Their winning attitude has made them consistent MLS award winners, sales leaders and top producers. So if you have any questions or concerns in the real estate market, Dennis is there to answer your questions. Feel free to contact him anytime. He'll definitely broaden your awareness of the ever changing real estate climate of today.

### **LAST SHOE – DOROTHY KRIMMER**

From Brenda Arnold – September 15, 2018. I received a call from Betty Clarke today with the sad news that Dorothy Krimmer passed away this morning.

Dorothy had been battling cancer for several months and spent her final days in the Saanich Peninsula Hospital where she lost her battle. Dorothy was 88. She was predeceased by her son and daughter.

Dorothy was a long time member of the horseshoe club moving up the ranks to play in the A division for several years.

Dorothy was on the Executive Committee both at the Victoria Club and with Horseshoes BC as well as a member of the Senior Games Committee. She loved the sport of horseshoes and was a keen promoter whenever she had the opportunity to talk about it.

Our, condolences to her remaining family and friends.

### **TRIBUTE TO DOROTHY KRIMMER - JERRY MELISSA**

Dorothy Krimmer was 'special' One of a kind. She loved Horseshoes! I first met her during a 'year end' bowling tournament in Victoria. It was a 'bowler of the year' special in the mid 70s. Both of us took the podium together. Years later, we met again at the Horseshoe Pits in Victoria. She took up the game after the Bowling Alley at Town and Country closed.

She worked hard at the game and reached the 'A' status on numerous occasions. Always outspoken, she fought hard to make Horseshoes a 'household' name. Dorothy, devoted hours of her time, supervising high school students at the Pitches. She was very successful in getting the Saanich School District to recognize 'shoes' as an appropriate 'athletic' activity. And the B.C. Senior Games will never be the same without her involvement in organizing/supervising its Horseshoe Tournaments.

The game has missed her these last few years. She did not shirk from attempting to improve the game at all levels. I loved her tenacity and grit! She will be remembered by many!

### **LAST SHOE LIL COLLINS - CENTRAL PARK**

Lil passed away peacefully on September 19, 2018 after a ten month battle with cancer. She is survived by her loving partner, Nancy; sons, Philip (Jodie), Vernon (Linda), and Douglas (Bonnie); four grandchildren; two great-grandchildren, and her sister, Helen (Gary). She is also missed by her Bichon, Lucy. She was predeceased by her son, Ralph; sister, Marjorie and brother, Byrn. Lil was born in Edmonton and lived most of her life in Vancouver and Coquitlam.

She worked at the Westin Bay shore and Richmond Inn as the restaurant manager and will be missed by her many friends and coworkers.

She will also be missed by her friends at the Central Park Horseshoe Club, her friends from her exercise classes in Vancouver and Coquitlam and her Mahjongg group. Lil loved to travel and enjoyed many trips over her lifetime. She also really enjoyed her Facebook friends and posted many inspirational and warm thoughts.

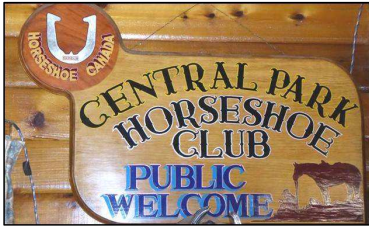

### **FROM BOB AND DARLENE SALISBURY**

It is with great sadness that we write to you tonight (Sept 19th) to tell you all that Lil Collins passed away earlier this evening.

The last three weeks have been very difficult for Lil and all her friends and loved ones. We will all miss her she was a very important part of our club.

### **TRIBUTE TO LIL – SAM AND WENDY TOMASEVIC**

Tonight we lost a very dear sweet friend, who we considered as family, someone who always put others before herself. With all the pain Lil has suffered in the past 1-2 years, she was always more worried about how you felt instead of how sick she really was. We feel so sad, but, no more pain and suffering. One of the greatest ladies we have ever known. We will miss our lunches after grocery shopping for the club. RIP Lil, will always love you.

## NEWS FROM CENTRAL PARK – GAETAN BENOIT

## VERNON HORSESHOE CLUB – Don Myrfield

The smoke and heat this summer has kept our members away from the tournaments and practices.

We are still in the process in getting a patio extension approved by the city and installed before the colder weather is upon us.

We had another great Tournament in June with good attendance from the interior Clubs.

A barbecue was held among the membership in July with a Ringers only tournament among the pitchers and good weather and food was exceptional.

Four of us went to the BC Champs in Kamloops. Our thanks for a great tournament to the BCHA and Kamloops for organizing and keeping everything running smoothly. Well done! We have thrown our hat into the ring for the 2020 BC Champs. Interior/Kootenay Championship Tournament was in fine form this year in Summerland. Ron Coutts garnered a first, Dwight Cousins also garnered a first, and Sheldon Wessell got a first as well. A good tournament.

Our AGM will be in the first week in October. Members usually pitch until the white stuff actually covers the pits. A Christmas dinner is planned for December for all members and their partners. We wish all Clubs a Merry Christmas and good health for the New Year.

Player A wins game 1 collects 1/2 of the opponents money from his envelope adding it to their envelope, leaving the loser with \$3 and player A with \$9.

Player A wins game 2 and collect 1/2 of his opponent's money again, if his opponent won his first game then player A will get \$4.50 and now have \$13.50 in their envelope.

All players must add the money they exchange to their envelopes and at the end of RR play the winner of the group should have the most money. There are no other monetary awards. It's a fascinating tournament and becomes enjoyable and entertaining. It takes a little effort to get the envelopes together, but it's worth it.

## BERNICE BUSCH / MURRAY RAYNER MEMORIAL TOURNAMENTS JUNE 30 – JULY 1, 2018 – MARYSE ATKINSON (CARLENS)

At this years Ladysmith tournament, I was just thinking back to all the years of pitching, the people that passed in my life and those that passed on and .those that remain, plus all the new and fantastic people I meet now in my twilight of horseshoes (I think I maybe the Phoenix will shine again soon hehehe).

The first day of this tournament was not smiled upon by the weather god but the second day sure was nice.

Looking back I think how I came to belong to a horseshoe pitching club and how I started in tournaments alive and well today is my friend Jerry Melissa whom along with Tom Didmon now deceased, guided me to my first tournament in Victoria where I pitched wearing beach walkers!! They coached me gave me tips on sportsmanship (I may ignore

that sometimes cause lately been in a slump that stretch for a long while, yet I know that in a flash I'll look for the positive and the funny).

All of you out there are SUPER great people and I mostly like you, I find some great qualities in all of you and sometimes envy you , NO! not your skills but your caring nature, your calm your kindness, your way of looking at the world, your humor

and this week end I had a lot of fun. I soldiered on during a hard wet dirty Saturday I am not sure my hat will recover. Sunday shed better weather.

I do worry a bit about the slow down of interest in our social sport and deep in my different light on everything and I found that people I didn't even know realized of my struggle were there encouragement and helpful reminders so thank you all for another pleasant horseshoe gathering. Heart I know all will be well. Hope I didn't t ramble on too much

**FOOTNOTE: Maryse won the Ladies B.C. Championship title in 1995, a record of 15-1 and had an average of 61.27%.**

**PRESIDENTS REPORT – TOM MOFFAT**

Horseshoes has wound down for most of us now and we look back at a good year . Even though we are not yet growing in large numbers there has been some new players with lots of excitement for horseshoe pitching. This is encouraging.

As stated again at this years AGM its everyone's job to recruit new members. If only the executive in each club worked at getting new members we would get a few, but if we got everyone on board and concentrated on getting new players out to try horseshoes we would grow amazingly. Lets everyone keep this in mind this winter as we talk to friends. See if we can get them out next year.

As we plan for next year please send in dates of your tournaments early so we can keep up to date on a schedule . And don't be afraid to try new formats to encourage new players. Horseshoe Mania was tried last year in Victoria, it will be done again. Hoping others would try this too.

I would like to wish all the members of BC Horseshoe association and anyone reading this news letter a good winter , good health , and to come back with lots of enthusiasm for next year.

Archie and Bonny joined the Abbotsford Horseshoe Club about 25 years ago and it didn't take long for them to get very involved in the work around the club. Archie has learned how to do the Shoes Program and the HS Master program, and does a great job as tournament director. Archie is always the first one to ask if they need his help at all tournaments, be it as a scorekeeper, judge or to input entries in the computer for the shoes or Hsmaster program. Archie is also the clubs secretary.

Bonny does a wonderful job taking care of the kitchen along with Sherry Coffin. Bonny played the first year they were members but not much after that.

Archie however has been a steady competitor in the 30% Elders class. He has won his share in his class but one memorable win was the Western Classic in Manitou. He played like a King.

They also square dance twice a week and Bonny curls. Archie doesn't curl anymore but is draw master

**PRINCE GEORGE – ALICE BOSCHMAN**

Good news, Prince George has been struggling but we can pay rent for next year but hydro is another thing. We pay \$1,000 rent per year and we are only able to use the facility for six months of the year.

I would like to ask all horseshoe players that are able; if they could help us next tournament season. All we require is for anyone if they are in the Prince George area to join us for our tournaments. That would be a tremendous help to our club.

We don't have anything planned for this winter as our club house is not able to be used in the winter. We are toying with a few ideas, but nothing major at this point.

**EDITORIAL COMMENT – I find the rent fee of \$1,000 outrageous, how many clubs could afford this, the city is not helping the club to survive.**

**CLOVERDALE HORSESHOE CLUB – JIM GRANT PRESIDENT**

The horseshoe season is over and the Cloverdale Horseshoe Club has a busy 5 months ahead. During the off season Cloverdale members enjoy our Monday games & darts night October to April, Thursday evening Crib (all year), our Bunko Championship in October, the AGM in November and our Christmas dinner in December.

In January we add our once a month 5 night crib challenge, January and February we have a Texas Hold'em night.

March is our yearly members meeting and in April our Club Members Opener prior to the pitching season starts.

We wish all Clubs' and their members a wonderful and safe off season. See you next year

Besides all the great pitching that was taking place on the wonderful courts the members took such care in getting ready.

There were delicious meals prepared for breakfast and lunch, with a scrumptious meal at the Saturday evening banquet. Once the meal was finished, those in attendance enjoyed the remainder of the evening socializing, dancing and karaoke.

## NEWS FROM COMOX HORSESHOE CLUB – TREVOR BRUCE

We re-built the Comox Valley Horseshoe Club two years ago and started out with 17 members, by the end of the 2018 season we had climbed to 31 members.

We Held our first Invitational Tournament in August with participants from Victoria, Sooke, Ladysmith, Port Alberni, Powell River and Comox.

For our first tournament we had a couple of minor glitches but everybody had a great time and we are looking forward to repeat in 2019.

Our season ended with a Banquet and the winners were presented trophies.

We also ran a couple of clinics for school aged children during the summer and the parks & recreation staff were very pleased, the children all enjoyed themselves and some became quite good at pitching, maybe some future recruits.

For the fall we are playing fun shoes and it might be singles doubles or cut-throat, a surprise every week until the weather shuts us down.

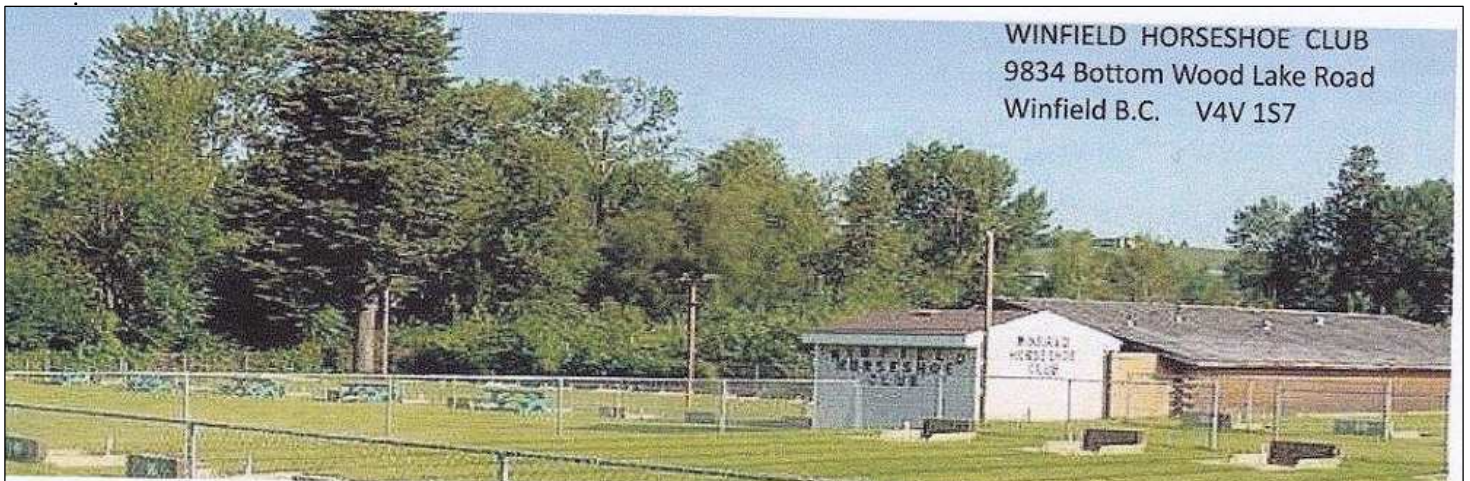

## THANKS WAVES COFFEE

For years for the international and BC champs we have had to use the host clubs tins to have people put their tickets in for the prize they wanted to win on our raffles. This year in Kamloops Abbotsford had to bring there's.

I got this brilliant idea why not ask one of our sponsors, WAVES COFFEE, how much they would charge, to our liking they said, NO CHARGE. Picked up 16 tins, they are 4 inches tall which is perfect.

Never be scared to ask, the WORST THING YOU CAN BE TOLD IS NO. Have a friend who will cut slots on the lids

## WINFIELD HORSESHOE CLUB EVENTS AND ACTIVITIES – BERNIE LEPPER

Kudos to all the members, competitors & guests who helped make our last tournament of the 2018 season a huge success. Although the weather was to be very unsettled it turned out a good day for the most part except for the last few games, when the heavens let loose and the light went down so the outdoor lights were turned on. There were 29 entries with 2 no shows and the day turned out to be a winner with an added bonus of a loonie a loss for all huckers.

Cindy Helgeson, President's Award recipient from the B.C.H.A. for exceptional volunteer work in horseshoes over many years and tournament director of the Winfield Horseshoe Club was certainly invaluable directing this last tournament on the schedule. The Winfield Horseshoe Club would certainly have some difficulties organizing a tournament without Cindy and John Hamler, they keep on top of everything, thank you Cindy and John.

After the tournament a wild time into the evening was enjoyed with our in-house band entertaining our guests and members. The band consists of John Hamler on the Accordion, Andy Danyleyko on the Fiddle, Andy's son Terry Danyleyko on the Guitar, Don Reeves singing & playing his Guitar and Al Boehler singing and playing Guitar. I was told there are only two kinds of music, "Country" and "Western", sounds like John Hamler to me!

A meeting was held to decide who would be hosting the Interior/Kootenay/North Championships for 2019 and 2020, the

results was the Kamloops club.

At the A.G.M. of the Winfield Horseshoe Club on Saturday September 29th John Hamler was elected as the President of the club.

The B.C. 55+ Senior Games will be hosted by Kelowna B.C in Sept. 2019. The sport of horseshoe pitching will be hosted by the Winfield Horseshoe Club as Kelowna does not have a horseshoe facility. The liaison person from the Winfield Horseshoe Club to the City of Kelowna for the games will be Bernie Lepper

Our usual every Saturday cribbage tournament will be throughout the winter along with the Christmas celebrations in the clubhouse which consists of a full turkey dinner.

The Winfield Horseshoe Club recently signed up 3 new members who actually pitch horseshoes and will be participating in tournaments along with all the other long time pitchers from this club.

Have a good winter and look forward to seeing all our friends in the spring. As Sante would say "Ciao for now"!

Thanks to Vi & Shirley for preparing the Delicious Chili for the post meeting lunch.

Thought for the day: There are 3 types of people in the world. Those who watch what happens, those who wonder what happens, and those who make things happen.

**CIBC WALK FOR THE CURE - WENDY TOMASEVIC**

Thank you everyone for your more than generous donations to my walk. Because of you I made my goal of \$600 and actually went over and raised \$775. Once again thank you very much.

This year the weather decided to rain on us so was a soggy 5km walk through the city of Vancouver. A good time was had by all that attended; a lot of money was raised for the cause.

For those not familiar with Vancouver the picture was taken on the Cambie Street Bridge about 1/2-3/4 way through the walk.

**THE END OF 2018 REPORT FROM POWELL RIVER = LORRAINE HUBICK**

Hello to all fellow clubs and their members: Our Powell River Sunshine Coast has come to an abrupt end! The long southern weather was such a welcoming time, the relaxation, adventures, camping, and of course HORSESHOE pitching!

Our League play was a surprising battle - the 7 teams so evenly placed for the season. On teams sometimes on a Thursday evening, out of 5 pitchers – only 1 to 2 could come out to play - meaning the attended ones had to play their game with a strong %. All ended up that Carol Skrodolis won the League – her backup supporters were Frank Hubick, Onil Allard & Phil Russell.

Chasing them to win the Play-off winners were, Captain Jim Hoffman & team pitchers – Sandra MacLean, Betty Blacklock, Annie Jones & Yvonne Stobbart. High percentage of the teams only lost by 1 point, so I can see what is going to happen in 2019!

Off to the BC Championships in Kamloops was Frank & Lorraine Hubick - again a close struggle with opponents across the Province, Lorraine placed 2<sup>nd</sup> in Women's C class.

Entertainment for some of our members, Betty Blacklock just returned from a cruise to Alaska - they had awesome weather while we had the rain! Another lucky traveler - Glen and Margie Woloschuk, sight seeing over in Europe. And none have taken their horseshoes!!! Other families have had their trips ½ way across Canada, others to the East Coast. Some of us find something to do – others try to keep their pitching up at the court on a given sunny day - which is not too promising.

Now we wait for our awards / banquet evening, upcoming on Oct. 27/18. Competitions, here at home and out of town, all have had a great time. All look forward to the upcoming year. And hope they can improve their standings.

We wish everyone a healthy, fun, fall and winter Xmas. To those who are battling health issues, a speedy recovery and ready to pitch again in 2019. Not long and we will see everyone soon.—Keep practicing when you can!

## LADYSMITH HORSESHOE CLUB – VINCE HERKEL

Hi all just want to bring to your attention that there is a picture of our club members at the pitches and a nice write up in the October issue of Take 5 news magazine. Here is the article.

A number of the Ladysmith Horseshoe Club members showed up on September 6, 2018, wearing their green club shirts to celebrate Lindsay Hodgins' dual wins of the Canadian and British Columbia Ladies Horseshoe Pitching Championships.

At the Canadian Championships, Ladysmith Horseshoe pitch member Lindsay Hodgins' ringer per cent was 76.24, and at the B.C. Championships, Lindsay was presented with a special certificate awarding her with the highest ringer percent tournament game in B.C. for 2018 of 95 one ringer shy of a perfect game, which she threw in a tournament right here in Ladysmith on the July 1, 2018, weekend.

Rolen Loiselle, age 85, placed third in the Canadian Elders C Division and second in the B.C. Championships Elders C Division, to take in both tournaments. Rolen drove over 5000 kilometers with his truck and camper to participate. The Ladysmith Horseshoe Club gets together Tuesday and Thursday afternoons from 1 p.m. to 3 p.m., at their Transfer Beach horseshoe pitch, weather permitting. New members are always welcome.

### HELLO FROM SUMMERLAND – JUANITA LAYE

This was a great but very Smokey summer. We all had lots of fun pitching as usual but with the heavy smoke from so many fires, some of the usual pitchers could not play for health reasons.

During the Summerland Peachland fire, we thought a lot of pitchers would not make it to Summerland, but by then, the fire was under control whew.

Summerland hosted our second year of the Interior/Kootnay/North Championships and it was a hit with 39 entrants. We would've had close to 50 but health reasons and other obligations for some pitchers came up .Oh well.

The next 2 years for Interior/Kootnay/North will be held in Kamloops.

We in Summerland as a Club are a great team who work together and have volunteers come to help also which is a huge help and takes off some of the pressure. THANK YOU TO THE SUMMERLAND CLUB AND ALL OUR VOLUNTEERS.

We will be having our windup party on Monday October 15. Potluck and pitching what fun. And great food yum.

Well Jim and I will be heading south to Arizona for the winter. I want to wish you all a Very Merry Christmas and A HAPPY NEW YEAR. Hope to see you all in the spring and party hardy with pitching again.

### QUESNEL HORSESHOE CLUB – JEANETTE FERRARA

Not much is happening at the club with winter approaching.

Things have been looking up with new people [itching on fun nights. If they all attended at the one time we could have up to 17-18 pitchers on a fun night. Hopefully some of them will join and pitch in tournaments in 2019, but, in the meantime it is great to have new players to pitch against.

We as a club were very proud of our entries at the BC Championships at Kamloops, only two entries but both of them placed in the money in their event, congratulations to Orlando and Lorenzo who finished 2<sup>nd</sup> and 3<sup>rd</sup> in the Elders C Class.

We held our last fun doubles in September which went well. We had a lot of fun and a pot luck was held 1/2 way through the walking doubles. Turned great, pitchers and spouses enjoyed themselves.

Our storage shed was broken into in August with a weed wackier being stolen and no luck retrieving it from the vandals even though the police know who they are, so what can you do.

I will be having my knee surgery on October 26<sup>th</sup> so not much will happen until the spring. Take care and talk to you soon

**SALMON ARM HORSESHOE CLUB – AMY KIDD**

October 9<sup>th</sup> was the year-end fun day for the Salmon Arm Horseshoe Club. With a good turnout, games were played, the annual meeting was held, and then a lovely potluck meal was served and enjoyed by all members and spouses.

Practicing continues each Tues. and Thurs. afternoon at 1 p.m.

A message from Faith Juell: On Wed. Oct. 3rd Faith Juell was happy to leave the hospital after 2 1/2 months. A special thank you to all who sent cards, and e-mails, visited, or sent flowers and gifts while I was in the hospital. .
