## IN HOUSE CLUB FUN EVENTS

With the uncertainty of when we will be able to host tournaments, and not everyone wishing to participate with on-line tournaments, here is an idea **called IN HOUSE CLUB FUN EVENTS**, You must be a paid up member for 2021 to participate

This would allow your members to have a fun event and record win-loses, ringer, shoes pitched to arrive at your percentage for the day, just like you would if we where allowed regular tournaments.

I will email the clubs the last averages I have on hand as of JUNE 1 2020 to use.

Make classes up as you see necessary.

Games can be points, shoe limit, points and or shoe limits, handicap if you want

After your fun event, send the result to me to be forwarded to CANSTATS.

Till we have the okay to play regular tournaments, all clubs having a tournament on the 2021 schedule can run the in house club fun events.

This might get the members interested and keep them playing, you are now playing against an opponent.

What we would ask is **not** to invite members from other clubs, unless they are an associate member of your club, as that might cause issues with the government/municipal people.

Proper rules issued must be used, i.e. 6 feet apart, 2 players per court (use every second court). Sanitization available, number allowed for the gatherings as issued per your city or municipality.

We will leave it up to each club if they wish to hold an event, let me know as soon as you can, clubs not wishing to host an event I will put cancelled on the schedule.

For the months of APRIL – MAY the following could be held, I have removed the word OPEN and used IN HOUSE CLUB FUN EVENT.

**From BERNIE LEPPER**

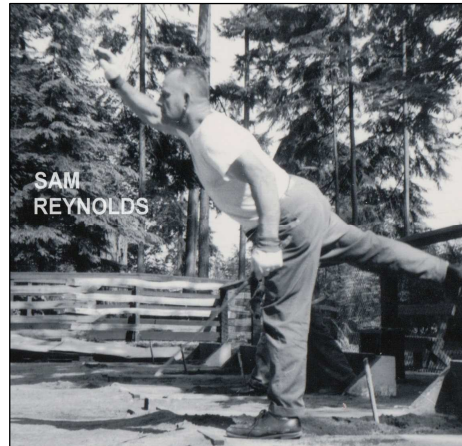

Concerning the B.C. Championships that were played in Vancouver's Stanley Park, the "Men's Championship" was the only class played, there were no other classes.

The pitchers had to qualify to enter this Championship's. I'm not sure what the maximum number pitchers that were permitted to enter.

From what I recollect 15 time B.C. Champion Stan Dahl rarely came down to the Stanley Park courts but when the Championship's were held he came down the day before to qualify and wiped everyone out, this did not go over well with the others.

## THE HOFFARDS- 1970 – BERNIE LEPPER DUG THIS OUT

### ABOUT THE COVER

Shown this month are the three Hoffard brothers, all junior pitchers of the greater Vancouver Club, Vancouver, British Columbia, Canada.

In the Pacific National Exhibition, seven year old Louis (Tiger) Hoffard defeated Annette Lavoy, Junior girl, with a 37 percent game. Great excitement surged through the crowd as little Louis ended his performance with a double ringer. Annette played very well, but could not come up to the young man's steady pitching.

David Hoffard (center) is 9 years old and turned in a wonderful exhibition of pitching. The tallest of the three is 11 year old Johnny Hoffard (left). He is the 1969 British Columbia champ and also the 1969 Bellingham Junior champion. At the Pacific Northwest Meet, Johnny defeated big Mel Campsall 30-27, hitting 60 percent ringers, in his victory over the current British Columbia champion.

Another attraction was "Winnie" Winetrout of Lummi Island, Washington, 1969 Intermediate World Champion who hit 92 percent in his 30-3 victory over Stanley Pachota, Vancouver, B.C.

### TOM GALLINA - ONTARIO

Sam thanks a lot for your newsletter, lots of information that was good to read.

Jean Markle was a great asset to our Ontario organization. When things were going backwards she along with Merv Litchy dug down and brought it back up.

Jean and Merv Litchy were the ones who supported me and taught me the organizing end of it. I use Merv's handicap system in our league to this day.

In 1991 our Guelph Horseshoe club hosted our first Provincial championships and to this date we had the largest 2 entry's 1991, 197entry's and 1997, 167 entry's. I have being the main organizer at hosting

Provincial and various tournaments at our club since 1982 and 2017 Canadians and 2018 Doubles being the last.

I hold the President position since 2011.

In 1990 with the help of Merv Litchty we put my idea of a point system to host a skills competition and the top eight high averages, A class men's players in Ontario were invited to participate. 5 events were played and our Legion sponsored it with \$500.00 prize fund. Each player would have a chance to win money in each event. We had a large crowd watching during this afternoon event. Andy Kutch was the winner with most points scored.

Event challenges' were

#1- Blind folded to try to pitch 2 ringers

#2- Pitch 2 shoes over a blanket and you can't see the peg

#3- using 2 shoes pitch a ringer in a 5 gallon steel pail set over the peg and filled with sand

#4- 3 pegs in a row from low to high in the pit and you had to ring each one, you had 2 shoe chance at each peg

#5- using 6 pits, each contestant would use 2 shoes and start on pit #1 throw down then move to pit #2 etc. and end up at pit 6. This was a race against time and ringers combined

1997 was my big year, Won the Prov. singles held at our club, Won the B1 class in Kitchener worlds with a 74.8 % 15-0 (entering avg was 69.3%) I was the only Canadian to qualify for the top 20 men's Championship class and finished in 11th place with a 75.9%. Following week we headed to St John New Brunswick and I won the Canadian Men's championships.

I am a 3 time hall of fame, Horseshoe Ontario, Horseshoe Canada & Guelph sports hall of fame.

**April 30 is the date whether we are hosting the Canadians or if it will be cancelled due to this Covid 19.** Keep up the good work Sam I enjoy your history articles.

### JIM WILLIAMS – ABBOTSFORD

In 2017, I was golfing twice a week. I started to have back issues from the twisting and decided to change sports.

I chose horseshoes because of my experience of pitching horseshoes at family reunions and at the lake for two weeks during the summer in the eighties. I joined the Abbotsford Horseshoe club in 2017. My ringer percentage started at 15% and I'm nearing the 50% plateau. I have become a horseshoe junky. In 2019 I was voted in as president of the Abbotsford Horseshoe Club.

My goal was to increase our memberships with younger men and women. We had 17 members and now we are at 45 members. Our goal is to have peewee and junior players and that is a program in progress.

In 2019 we had a program with schools around our club and had introduced 500 students to the art of pitching horseshoes. Our program in 2020 took a hit because of Covid 19.

**Tournament I have competed in:  
Highwayman International**

Finished; first in 2017 Elders Class C 30ft. second in 2018 and 2019.

**BC Championship finished 2 in 2018 and 2019 Elders Class C 30ft**

**Canadian Championship 2018 finish tied for third but declared 4th because of ringer percentage.**

I have played other tournaments in Washington State and Arizona.

I having been selling real estate for 45 years and I'm semi-retired just looking after past clients and referrals. I have been with REMAX for 36 years. I'm a Lifetime Achievement Club member with REMAX.

I'm been married to my love, Joyce for 51 years. We have our son Brad and a daughter Paula. We have three grandsons and one granddaughter. I'm looking forward to many more years of pitching shoes.

**DOROTHY AND JIM HARROLD – HELP AT ALL TOURNAMENTS**

Jim and I live in Trail.

We got involved with horseshoes through Les and Vi Anderson, who invited us to join them at the Abbotsford Horseshoe Tournament.

Jim played under Provincial for several years before joining the Penticton Horseshoe Club. Jim has played Horseshoes in the 55+ Games since 2008.

I started pitching in 2012, joining the Winfield Horseshoe Club and then transferring to the Penticton Horseshoe Club, as well as the 55+ Games. We've gotten gold, silver and bronze medals at the 55+ Games.

In 2014, we pitched in Calgary at the Canadians. A good time was had by all.

We have pitched in the Interiors and Provincials. We enjoy the socializing and are looking forward to returning to pitching once covid restrictions end.

Jim is retired from BC Hydro. We have a daughter, Santanna who married Diego and had 4 lovely grandkids, Chailyn, Jade, Preston and Paige and a son, Beau.

We have missed everyone this past year and hope to return next year. Dorothy Harrold

**LINDSAY HODGINS MOVING TO ALBETA – VINCE HERKEL**

The Ladysmith Horseshoe Club Members are deeply saddened to announce Club Member Lindsay Hodgins is moving to Alberta.

She will be sadly missed on the Ladysmith horseshoe courts, especially her lovely smile, her friendly bantering on & off the horseshoe courts and her raptor bird stories & pictures. The Ladysmith Horseshoe Club Members deepest loss will be the bragging rights of having the reigning Ladies World Horseshoe Pitching Champion as a member of the Ladysmith Horseshoe Club.

Lindsay, the Ladysmith Horseshoe Club members wish you well and all the best that the sport of horseshoe pitching can offer and most especially continued success in defending your title as the Ladies World Horseshoe Pitching Champion.

**SAM TOMASEVIC** – Lindsay tells me they are moving to Drayton Valley, 133 kilometers southwest of Edmonton. Her father is buying a hobby farm. She thinks her dad and gramps want mini Herford or regular Herford cows, mom and Brother Wayne want miniature donkeys. Dad was thinking about getting 15 chickens.

I want Norwegian dwarfs' goats. I basically said if I had to move, I wanted a bird (Parrot maybe).

**BRIAN RYDER.** Hello Vince. Sad news it is. Ladysmith's loss is also B.C.'s loss. Not only has she been a great representative for Ladysmith, but also for B.C. She has represented all of us very well; as I am sure she will do for the province of Alberta and whatever Club in Alberta she calls her home club.

I found her to be not only an exceptional horseshoe pitcher, but a nice person as well. I wish her well and continued excellence with her Horseshoe Pitching. Brian Ryder- Secretary-Treasurer BCHA

**TOM MOFFAT** Going to miss seeing you at tournaments in BC but I'm sure we will run into you somewhere at some tournament, Canadians, Worlds, you can even come for the BC International Highwayman tournament each year.
