What is Email horseshoe and the Canada 20 – Tom Moffat

With covid19 cancelling all your local and provincial, state, and country tournaments. What have people done to keep the competitive juices going?

One thing has been facebook live competitions where one records live a short 12 shoe game. But some people don't use facebook or even have a phone to record their games or are not comfortable doing that. This is where Email horseshoe comes in. Canada 20 was started to fill that void.

But how do you do it.

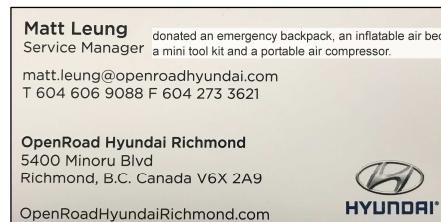

It's really quite simple. You just pitch 7 games of 20 shoes and keep track of your ringers and single points for each game and email the results in.

That's it. I told you it was simple.

Here is an example

Joe Smith

- gm 1 5 ringers and 4 singles = 19 pts
- gm 2 4 ringers and 3 singles = 15pts
- gm 3 8 ringers and 5 singles = 29pts
- gm 4 7 ringers and 6 singles = 27pts
- gm 5 4 ringers and 10 singles = 22 pts
- gm 6 3 ringers and 8 singles = 17 pts
- gm 7 9 ringers and 10 singles = 37pts

You just email the results in to xpostix@gmail.com by any sunday and your in. Each week the Canada 20 runs from Monday to Sunday. results are posted on Horseshoe Canada online pitching facebook page and emailed to all players entered.

Use the supplied score sheet or your own. We are on # 7 now and it ends this sunday June 28. The next one starts the next Monday to Sunday.

Horseshoe Canada will be holding a Canadian Backyard Championships later this summer and you have to have been in 2 online or email tournaments to qualify.

Canstats are keeping the ringer % but putting in a separate category not the regular tournaments. For more info contact me
