WHY MENTAL CONFUSION BEYOND 60??? Causes of: MENTAL CONFUSION IN THE THIRD AGE

By: Arnaldo Liechtenstein, physician.

Whenever I teach clinical medicine to students in the fourth year of medicine, I ask the following question:

What are the causes of mental confusion in the elderly?

Some offer: "Tumors in the head". I answer: No!

Others suggest: "Early symptoms of Alzheimer's". I answer again: No!

With each rejection of their answers, their responses dry up.

And they are even more open-mouthed when I list the three most common causes:

- uncontrolled diabetes;
- urinary infection;
- dehydration

It may sound like a joke, but it isn't. People over 60 constantly stop feeling thirsty and consequently stop drinking fluids.

When no one is around to remind them to drink fluids, they quickly dehydrate. Dehydration is severe and affects the entire body. It may cause abrupt mental confusion, a drop in blood pressure, increased heart palpitations, angina (chest pain), coma and even death.

This habit of forgetting to drink fluids begins at age 60, when we have just over 50% of the water we should have in our bodies. People over 60 have a lower water reserve. This is part of the natural aging process.

But there are more complications. Although they are dehydrated, they don't feel like drinking water, because their internal balance mechanisms don't work very well.

Conclusion:

People over 60 years old dehydrate easily, not only because they have a smaller water supply, but also because they do not feel the lack of water in the body.

Although people over 60 may look healthy, the performance of reactions and chemical functions can damage their entire body.

So here are two alerts:

1) ***Get into the habit of drinking liquids***. Liquids include water, juices, teas, coconut water, milk, soups, and water-rich fruits, such as watermelon, melon, peaches and pineapple; Orange and tangerine also work, as well as cucumbers.

The important thing is that, every two hours, you must drink some liquid. Remember this!

2) Alert for family members: constantly offer fluids to people over 60. At the same time, observe them.

If you realize that they are rejecting liquids and, from one day to the next, they are irritable, breathless or display a lack of attention, these are almost certainly recurrent symptoms of dehydration.

Arnaldo Liechtenstein (46), physician, is a general practitioner at Hospital das Clínicas and a collaborating professor in the Department of Clinical Medicine at the Faculty of Medicine of the University of São Paulo (USP).

Did you like it?

So spread it out! **DON'T FORGET TO DO IT NOW!**

Your friends and family need to know for themselves and help you to be healthier and happier.

It's good to share! ***For people over 60***

2020 Horseshoe Canada Backyard Championship Registration Now Open
Jason Rideout Aug 13th, 2020

The 2020 Horseshoe Canada Backyard Championships was a concept that Horseshoe Canada President Jason Rideout brought forward in early summer to the Horseshoe Canada Executive and Provincial representatives. From the initial meeting, further discussions and tinkering, the 2020 Backyard Championships are a reality!

The 2020 Backyard Championships are open to

pitchers who have a 2020 Horseshoe Canada membership and have played in a Canada 20 Tournament, one of the 100 Shoe qualifiers or a local tournament that has been recorded in the Backyard Canstats for 2020.

This tournament is a pre register tournament. Registration forms are located below. The tournament is free! Registrations must be submitted to the tournament director, Tom Moffat no later than August 20th. Once all registrations are received, the tournament classes will be released.

ENTRY FORM INCLUDED ON PAGE 13

The format of the Championships is that pitchers will pitch 7 games of 40 shoes and be responsible for recording their score. It is a count all format. Your games can be pitched in your backyard or at your Club or League pits. Horseshoe Canada scoring rules apply to these games.

The “Mail- In” tournament runs from August 20th to August 31st. A pitcher can pitch their games during this time period and results must be submitted to the Tournament Director by 11:59 pm on August 31st.

Each class winner will receive a specially designed commemorative patch. Class winners are determined by their win/loss records in their class. Ties will be broken using ringer percentage.

Following the "Mail-In" Tournament, the Grand Championship Round will take place. The eight (8) top pitchers determined by ringer percentage in Mail In play will make up each division: Men, Ladies, Elders 30 Ft., Peewee, Junior Girls and Junior Boys.

The top 8 pitchers in each division will play 7 games of 40 shoes. Their win/loss records will determine the 2020 Horseshoe Canada Backyard Champion in each division.

The Grand Champions will receive a Grand Champion patch and a \$50 cash prize from our tournament sponsor, ANR!

Any questions about the tournament can be directed to the Tournament Director Tom Moffat, Horseshoe Canada President Jason Rideout, Dianne Beck or Andre LeClerc.

BCHA ANNUAL MEETING – TOM MOFFAT – PRESIDENT

With the province still in the midst of Covid-19 partial shutdowns and no tournaments this year, our annual AGM will not be able to be held in person. So we have as an executive come up with a plan to get the business done in a different way. We are required by the Society Act to hold an AGM within 15 months of the last one.

We will be holding a Zoom AGM for replacement of our in person meeting. Only delegates for each club depending on existing membership numbers will be able to vote at the AGM on any issues. Other members may attend to observe.
